Wilder With You Serena Bell, 2022-02-15 Who knew pretending could be so hot? Clark: It started as a joke. After all, I’d never pretend to date a woman just to get my mom and sister off my back. I would, however, pretend to date her to get her ex-husband off hers. Now the two of us, the wilderness warrior and the wedding planner, are stuck sharing a very small tent. I had no idea how fast things would heat up in here, or how hard it would be to keep my hands—among other things—to myself. I also didn’t guess how quickly the news of our “relationship” would spread to my big, nosy family. We can’t “break up” yet, because she’s planning my brother’s wedding and I’m his best man. Through venue visits, DIY disasters, and Vegas trips, we’re thrown together, and the chemistry’s off-the-charts. But the kicker is, I feel like she gets me. Maybe that’s what scares me the most. I’m still reeling from the loss of my wife, and she’s still hurting from her ex’s betrayal. There’s no way this can ever be real. But what if I’m starting to hope it is?

The Spinster and the Rake Eva Devon, 2021-02-09 The marriage game is afoot in this clever blend of *My Fair Lady* meets *Pride and Prejudice* with a twist! Edward Stanhope, the icy Duke of Thornfield, likes his life in a certain order. Give him a strong drink, a good book, and his dog for company, and he’s content. But when he goes to his library and finds a woman sitting in his chair and petting his dog, a fiery battle of wits ensues—leading to a steamy kiss that could ruin them both if they were caught. Of course, that’s precisely when Edward’s aunt walks in, and introduces Miss Georgiana Bly...the future Duchess of Thornfield. Georgiana was content to be a spinster, spending her days reading and working to keep her family out of debt. But now her days are spent locked away with a growly duke and learning how to be the perfect duchess, and her nights are spent fighting the undeniable attraction to a man who was never meant for her. As their wedding day approaches, the attraction between them burns hot and fierce, but is it enough to melt the duke’s chilly facade? Each book in the *Never a Wallflower* series is STANDALONE: * *The Spinster and the Rake* * *Much Ado About Dukes* * *The Duke's Secret Cinderella*

A Most Clever Girl: How Jane Austen Discovered Her Voice Jasmine A. Stirling, 2021-03-30 For fans of *I Dissent* and *She*

Persisted -- and Jane Austen fans of all ages -- a picture book biography about the beloved and enduring writer and how she found her unique voice. Witty and mischievous Jane Austen grew up in a house overflowing with words. As a young girl, she delighted in making her family laugh with tales that poked fun at the popular novels of her time, stories that featured fragile ladies and ridiculous plots. Before long, Jane was writing her own stories-uproariously funny ones, using all the details of her life in a country village as inspiration. In times of joy, Jane's words burst from her pen. But after facing sorrow and loss, she wondered if she'd ever write again. Jane realized her writing would not be truly her own until she found her unique voice. She didn't know it then, but that voice would go on to capture readers' hearts and minds for generations to come.

The Lilac Lady Ruth Alberta Brown,2007-12 Two days after the night of the memorable surprise party in the little brown house, the place stood dismantled and deserted under the naked, shivering trees, good-byes had been spoken, and the six smiling sisters had driven away from their Parker home amid much fluttering of handkerchiefs and waving of hands. Everyone was sorry to see them go, yet all rejoiced in the great good fortune which had befallen the little orphan brood. Even after the Judge's carriage, which was to take them to the station, disappeared around the bend of the creek road, the enthusiastic crowd of friends and neighbors clustered about the sagging gate continued to shout their joking warnings and happy wishes upon the crisp, frosty, morning air.

The Art of Neil Gaiman Hayley Campbell, Neil Gaiman, 2017-06-19 Novelist, comics writer, scriptwriter, poet, occasional artist - a master of several genres and inadvertent leader of many cults - there are few creative avenues Neil Gaiman hasn't ventured down. From unforgettable books like *The Ocean at the End of the Lane* and *American Gods* to ground-breaking comics and graphic novels like *The Sandman* and *Violent Cases*; from big screen fantasies like *Coraline* to small screen epics like *Doctor Who*; and from short stories to songwriting, stage plays to radio plays, journalism to filmmaking, and all points in-between, *The Art of Neil Gaiman* is the first comprehensive, full-colour examination of Gaiman's work to date. Author Hayley Campbell, a close friend of Neil's since she was a small child, spent many months rummaging through Neil's attic to source the never-before-seen manuscripts, notes, cartoons, drawings and personal photographs for this book; these are complemented by artwork and sketches from all of his major works and his own intimate recollections. Each project is examined in turn, from genesis to fruition, and positioned in the wider narrative of Gaiman's creative life, affording unparalleled access to the inner workings of the writer's mind. Utterly comprehensive, lavishly illustrated, *The Art of Neil Gaiman* is the fully authorised account of the life and work of one of the greatest storytellers of all time.
