P4p Mike Andes,2021-12-17 It has never been harder to find good employees. Government handouts and programs, publicly traded behemoths with an insatiable appetite for front-line staff, and a burgeoning gig-economy has made hiring extremely hard for small business owners. The golden question is how do we attract good talent and then retain them long-term? How do I determine rates of compensation for my highest performers that are always demanding raises? How do I scale my business without having to constantly micro-manage my Team when they are in the field working? The answer is Pay-For-Performance (P4P). I know the frustration of growing a home service business and trying to motivate your workforce while balancing the budget with rising costs of doing business. P4P allowed me to grow my lawn care business past 7-figures in annual revenue and now we have dozens of locations around North America. In a sentence, P4P pays employees a percentage of the labor revenue they earn for the business. It is that simple. The rest of the P4P system ensures that quality standards are upheld and that employees don't speed through work or damage Customer property. If you are tired of babysitting employees, tired of offering low-paying, dead-end jobs, tired of seeing employees waste time, money, and their own potential, I encourage you to diligently implement P4P and see it transform your business. What's Inside This manual is your key to success, and the future to the labor industry as we know it. Inside you'll find the tools need to implement P4P successfully in your business. From bringing up the idea to pushing it beyond a simple pay structure, P4P Why Dollars Per Hour Is A Failing Formula will revolutionize how you do business. Conception of P4P What is Pay for Performance Step by Step Implementation Opening the Books Profit Sharing Compete Payroll Breakdown Educational Guide Reference Material

Fair Play Eve Rodsky,2021-01-05 AN INSTANT NEW YORK TIMES BESTSELLER • A REESE'S BOOK CLUB PICK Tired, stressed, and in need of more help from your partner? Imagine running your household (and life!) in a new way... It started with the Sh*t I Do List. Tired of being the “shefault” parent responsible for all aspects of her busy household, Eve Rodsky

counted up all the unpaid, invisible work she was doing for her family—and then sent that list to her husband, asking for things to change. His response was...underwhelming. Rodsky realized that simply identifying the issue of unequal labor on the home front wasn't enough: She needed a solution to this universal problem. Her sanity, identity, career, and marriage depended on it. The result is *Fair Play*: a time- and anxiety-saving system that offers couples a completely new way to divvy up domestic responsibilities. Rodsky interviewed more than five hundred men and women from all walks of life to figure out what the invisible work in a family actually entails and how to get it all done efficiently. With 4 easy-to-follow rules, 100 household tasks, and a series of conversation starters for you and your partner, *Fair Play* helps you prioritize what's important to your family and who should take the lead on every chore, from laundry to homework to dinner. “Winning” this game means rebalancing your home life, reigniting your relationship with your significant other, and reclaiming your Unicorn Space—the time to develop the skills and passions that keep you interested and interesting. Stop drowning in to-dos and lose some of that invisible workload that's pulling you down. Are you ready to try *Fair Play*? Let's deal you in.

Northeast Home Landscaping, 3rd Edition Roger Holmes, Rita Buchanan, 2021-07-27 In this series, homeowners will find inspiring ideas for making the home landscape more attractive and functional.
