America's White Table Margot Theis Raven, 2013-08-15 The White Table is set in many mess halls as a symbol for and remembrance to service members fallen, missing, or held captive in the line of duty. Solitary and solemn, it is the table where no one will ever sit. As a special gift to her Uncle John, Katie and her sisters are asked to help set the white table for dinner. As their mother explains the significance of each item placed on the table Katie comes to understand and appreciate the depth of sacrifice that her uncle, and each member of the Armed Forces and their families, may be called to give. It was just a little white table... but it felt as big as America when we helped Mama put each item on it and she told us why it was so important. We use a Small Table, girls, she explained first, to show one soldier's lonely battle against many. We cover it with a White Cloth to honor a soldier's pure heart when he answers his country's call to duty. We place a Lemon Slice and Grains of Salt on a plate to show a captive soldier's bitter fate and the tears of families waiting for loved ones to return, she continued. We push an Empty Chair to the table for the missing soldiers who are not here... Margot Theis Raven has been a professional writer working in the fields of radio, television, magazines, newspapers, and children's books for 30 years. Margot's first children's book, *Angels in the Dust*, won five national awards, including an IRA Teacher's Choice Award. Her first book with Sleeping Bear Press, *Mercedes and the Chocolate Pilot*, was the runner-up for the 2004 Texas Bluebonnet Award. She lives with her family in Charleston, South Carolina. Mike Benny's illustrations have appeared in *Time*, *GQ*, *New Yorker* and *Sports Illustrated* Magazines. He has also been awarded two Gold Medals from the Society of Illustrators. This is Mike's first children's book. He lives in Austin, Texas with his wife Mary Ann and daughter Adele.

A Soldier's Letters to Charming Nellie Joseph Benjamin Polley, 2008 One of the most cited collections of letters by a Civil War soldier, *A Soldier's Letters to Charming Nellie* was originally published in 1908. A unit history of the 4th Texas Infantry in epistolary form, Joseph B. Polley's letters make available the correspondence of a soldier who participated in virtually all military action in the Eastern Theater. Polley was an unusually gifted writer, with a talent for satire and humor unmatched by most Civil War diarists. In this definitive, annotated edition, Richard B. McCaslin has prepared new transcriptions of the letters and compared variant versions of them, resolving many of the historiographical puzzles that surround this wonderful collection. McCaslin also includes an analysis of when, how, and why Polley wrote the letters. The volume will aid historians interested in the activities of the Army of Northern Virginia and its commanders, and especially

students of Hood's Texas Brigade.--BOOK JACKET.

German Students' War Letters Philipp Witkop,2013-03-16 Originally appearing at the same time as the pacifist novel *All Quiet on the Western Front*, this powerful collection provides a glimpse into the hearts and minds of an enemy that had been thoroughly demonized by the Allied press. Composed by German students who had left their university studies in order to participate in World War I, these letters reveal the struggles and hardships that all soldiers face. The stark brutality and surrealism of war are revealed as young men from Germany describe their bitter combat and occasional camaraderie with soldiers from many nations, including France, Great Britain, and Russia. Like its companion volume, *War Letters of Fallen Englishmen*, these letters were carefully selected for their depth of perception, the intensity of their descriptions, and their messages to future generations. Should these letters help towards the establishment of justice and better understanding between nations, the editor reflects in his introduction, their deaths will not have been in vain. This edition contains a new foreword by the distinguished World War I historian Jay Winter.

First World War Poems from the Front Paul O'Prey,2016-11-10 From the worst horrors of modern trench warfare a small handful of soldiers and nurses created a body of poetry that is so vivid and intense that one hundred years later it has engraved itself on our national consciousness. This anthology focuses on those poets who were on the front line, from the famous Sassoon, Owens and Graves, to nurses like Vera Brittain. The poems are accompanied by a brief and accessible introduction, which sets the context for a reader new to the poems, as well as short biographical profiles of the poets.

My Dear Wife and Children Nick K. Adams,2014 What does a father write to his wife and young children when he's gone to war? Does he explain why he left them? How does he answer their constant questions about his return? Which of his experiences does he relate, and which does he pass over? Should he describe his feelings of separation and loneliness? These questions are as relevant today as they were over 150 years ago, when David Brainard Griffin, a corporal in Company F of the 2nd Minnesota Regiment of Volunteers, wrote to those he left behind on the family's Minnesota prairie homestead while he fought to preserve the Union. His letters cover the period from his enlistment at Minnesota's Fort Snelling in September 1861, to his death in Georgia during the Battle of Chickamauga in September 1863. One hundred of them were preserved and passed down in his family. They, along with one from his daughter as she asked the next generation to read her father's words, have been carefully transcribed and annotated by a great-great-grandson, Nick K. Adams, allowing further generations to experience Griffin's answers to these questions. Filled with poignant images of his daily activities, his fears and exhilarations in military conflict, and his thoughts and emotions as the Civil War kept him apart from his family, these

letters offer a fascinating insight into the personal experiences of a common soldier in the American Civil War. Nick K. Adams is a retired elementary school teacher and an avid Civil War re-enactor and historical speaker who lives in Washington State. Publisher's website: <http://sbprabooks.com/NickKAdams>

Letters From an American Soldier to His Father (Classic Reprint) Curtis Wheeler, 2015-07-13 Excerpt from *Letters From an American Soldier to His Father* These letters were written with no thought in the mind of the writer of their being published. The personal note is obvious in them and no attempt has been of the slightest. About all that has been done is to give initials in place of names where persons are mentioned by name, to give a heading to each letter, and to eliminate here and there a personal reference that would be blind to the reader. Otherwise the letters are just as written - the fresh, spontaneous, unconstrained narrative of personal experiences that link themselves up closely to a million American homes from which boys have gone to prepare themselves for similar experiences. Lieutenant Wheeler was one of the contingent selected from the first Plattsburg camp to be sent abroad for three months' study, close up of modern warfare. H Is for Honor Devin Scillian, 2013-08-15 Written by the son of a career officer, this book explores the branches of the

Armed Services and speaks from the heart about the honor, privileges and sacrifices of military families everywhere. Children will discover why drill sergeants have to be so tough, what it means to be patriotic and why we need Special Forces such as the Navy SEALs, the Green Berets and the Army Rangers. H is for Honor also explains why the annual Army/Navy football game is more than just a game, how much letters from home mean to soldiers, how often military families have to move and what life on base is like. With an underlying message of courage and commitment that every child can relate to, the book will be especially meaningful to those whose parents, siblings or other relatives serve in the Armed Forces.

My Teacher for President Kay Winters, 2008 A second-grader writes a television station with reasons why his teacher would make a good president, but only if she can continue teaching till the end of the year.

Eleanor Mitchell, Peggy Seiden, Suzy Taraba, 2012 In the age of ubiquitous access to information, library special collections and archives have received renewed attention through digitization projects designed to share collections with the world at large. Yet these materials also offer opportunities for student learning through direct engagement with rare or unique items. While special collections and archives have largely been used by advanced researchers and scholars, an increasing number of undergraduate courses are taking advantage of these materials as guides in the instructional process.

German Students' War Letters Philipp Witkop, 2002-09-03 I can't describe my frame of mind that afternoon. Not for a moment did I feel any fear of death; one simply abandons oneself to fate.—Karl Aldag, killed at Fromelles, France, age 26

Letters from an American Soldier to His Father Curtis Wheeler, 2012-08 Unlike some other reproductions of classic texts (1) We have not used OCR (Optical Character Recognition), as this leads to bad quality books with introduced typos. (2) In books where there are images such as portraits, maps, sketches etc We have endeavoured to keep the quality of these images, so they represent accurately the original artefact. Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy.
