LinkedIn Marketing Tim Shek,2018-05-20 LinkedIn is the world's largest professional network platform. With over 500 million professionally-connected members, this is a giant opportunity for your Business-to-Business (B2B) marketing. This book guides you on how to use LinkedIn B2B marketing to generate qualified prospects and obtain clients. To appreciate what awaits you should you take up LinkedIn advertising, this guide begins by providing you with proven benefits of LinkedIn

advertising so that you may know your gains well in advance. While LinkedIn has been used successfully by many companies to market their businesses, it is not a one-platform-fits-all kind of basket. There are those types of business that have a higher potential to gain from the uniqueness of LinkedIn platform and there are those that have a lower potential of deriving the same gain. This simply means that LinkedIn must be evaluated on a case-to-case basis. In this guide, you will find valuable criteria that will enable you to determine whether LinkedIn suits your marketing needs or not so that you do not risk your resources against potentially low ROI (return on investment). Professionals like belonging to clubs. Online, groups are the equivalent of professional clubs. Thus, you need to know how to use LinkedIn groups to your marketing advantage. This guide will show you how you can leverage the power of groups to gain a competitive edge in your niche. LinkedIn Ads are quite unique from other forms of online Ads. This means that you have to give them special attention by learning how to effectively use them for maximum results. We are going to show you how to use the various types of LinkedIn Ads to increase your income flow. What is the benefit of having a large following without an impact on your revenue? None! Most enterprises make the mistake of working so hard to acquire a huge following on LinkedIn without knowing how to financially gain from this following. We provide you with practical approaches to grow and monetize your LinkedIn following so that you can increase your income. Finally, there is a limit to how much you can do as an individual. Even if you employ a dozen more people to work specifically on your LinkedIn account, you cannot completely tap into the huge potential base of over 500 million people. This is where automation comes in handy. Technologies exist that can help you to effortlessly automate your LinkedIn income. This guide provides you with information on how you can automate your LinkedIn income and the specific tools you require in order to harness great success. Kindly download or print this book to learn more. Enjoy your reading!
