Building PowerPoint Templates Step by Step with the Experts Echo Swinford, Julie Terberg, 2012-09-28 Building PowerPoint Templates Supercharge your PowerPoint® presentations with custom templates and themes! Want to create presentations that are more consistent and cost-effective? Presentations that fully reflect your branding? Then don't settle for Microsoft's "out-of-the-box" templates and themes: create your own! In this easy, hands-on guide, two PowerPoint MVPs teach you every skill and technique you'll need to build the perfect template—from planning and design, through theme building, custom layouts, colors, and deployment. Echo Swinford and Julie Terberg have distilled their immense PowerPoint knowledge into simple, step-by-step techniques you can use right now, whether you're using PowerPoint 2010 or 2007 for Windows, or PowerPoint 2011 for Mac. Well-built templates are the backbone of great presentations—whether building them for your own use or designing for thousands of users, this book will guide you through the process of creating the most effective templates. Important Note: Upgrading from older versions of PowerPoint, such as PowerPoint 2003? Your old templates may no longer work. This book will help you make the transition painlessly! • Plan new templates and themes to maximize their business value for years to come • Understand the differences between templates and themes, and how they work together • Make better choices about color, fonts, and slide layouts • Create efficient templates for individual users, teams, and large organizations • Incorporate Notes and Handout Masters into your presentation templates • Provide example slides and default settings that lead to better presentations • Use Microsoft's little-known Theme Builder to create effects and background styles • Work around hidden quirks in PowerPoint's advanced template and theme features Echo Swinford, a Microsoft PowerPoint MVP since 2000, has been a featured speaker at the Presentation Summit (formerly PowerPoint Live) since its inception. She is the expert voice and instructor behind PowerPoint 2010 LiveLessons (Video Training), the author of Fixing PowerPoint Annoyances and co-author of The PowerPoint 2007 Complete Makeover Kit. Julie Terberg is a Microsoft PowerPoint MVP and featured speaker at the Presentation Summit. She is the owner of Terberg Design and has been designing presentations since the mid-1980s. She is co-author of Perfect Medical Presentations. As contributing author for Presentations Magazine, she won awards for her Creative Techniques columns.

Uncopyable Steve Miller, 2020-03-03 What separates average businesses from extraordinarily successful ones? Better product? Nope. Your competitor will rapidly reverse-engineer your secret sauce and get their better-than-you version on the market faster than you can say Usain Bolt. Better customer service? Guess what? All of your competitors say they provide the best customer service. It's a wishy washy phrase ... a vague generality with no meaningful specific. Better pricing? You're kidding, right? The company that lives on price dies on price. Harsher reality: Almost all industries today struggle with the increasing commoditization of their products and services, putting considerable pressure on prices and margins, leading to fiercer competition. The Solution? You must create an Uncopyable Attachment with your customers. They must see you as

not only delivering a superior product but also as a high-value relationship they simply cannot get anywhere else. In *Uncopyable*, Steve Miller compellingly argues that new advantage isn't found by going outside the box - you must actually build your own box. *Uncopyable* will guide you to achieving an unfair and enduring competitive advantage.

Newsjacking David Meerman Scott, 2011-11-07 IN A 24/7/365, SECOND-BY-SECOND NEWS ENVIRONMENT, SAVVY OPERATORS REALIZE THERE ARE NEW WAYS TO GENERATE MEDIA ATTENTION. The rules have changed. The traditional PR model—sticking closely to a preset script and campaign timeline—no longer works the way it used to. Public discourse now moves so fast and so dynamically that all it takes is a single afternoon to blast the wheels off someone's laboriously crafted narrative. Enter newsjacking: the process by which you inject your ideas or angles into breaking news, in real-time, in order to generate media coverage for yourself or your business. It creates a level playing field—literally anyone can newsjack—but, that new level favors players who are observant, quick to react, and skilled at communicating. It's a powerful tool that can be used to throw an opponent or simply draft off the news momentum to further your own ends. In *Newsjacking*, marketing and PR expert and bestselling author David Meerman Scott offers a quick and punchy read that prepares you to launch your business ahead of the competition and attract the attention of highly-engaged audiences by taking advantage of breaking news. *Newsjacking* will provide you with: Tools that you can use to monitor the news Case studies and examples that demonstrate how to strike at the right time Information on how to make your content available online for journalists to find The potential risks of newsjacking Keys to developing the real-time mindset required to succeed with the strategies presented in the book *Newsjacking* is powerful, but only when executed in real-time. It is about taking advantage of opportunities that pop up for a fleeting moment then disappear. In that instant, if you are clever enough to add a new dimension to the story in real-time, the news media will write about you.

Connection Magnet: The Unique and Simple Blueprint For Anybody to Attract 30,000 LinkedIn Connections

Don Sevcik, 2022-02-02 How would you like to leap into the top 1% of networked people on LinkedIn spending only 15 minutes a day? How much would this change your life? Connection Magnet gives you a unique and simple blueprint to leapfrog into the sacred 30,000 connections club on LinkedIn. Who does this blueprint work for? Anybody, from introverts, to people who can't write, and people just getting started on LinkedIn. In this book, you'll discover: A unique "gifting strategy" that scored me connections with the CEO of Best Buy and CFO of Salesforce A special "smile" to have people think you're more likable, credible, and influential How to get more connections by picking fights with people A unique method to get connections from outside of LinkedIn...by answering simple questions The 'affinity' strategy which turns ice cold LinkedIn strangers into warm contacts Tweaks you can make in 5 minutes to get more connections A simple writing strategy to magnetically attract connections...even if you're not a writer The one type of conversation which kills your connection rate...and what to do instead The power of "everywhere", and how it makes people chase you for a connection Discover how anybody can use the 4P strategy to reach 30,000 connections. This level of connections puts you in the top 1% of LinkedIn users. Why reach for the top 1% on LinkedIn? Because the 1% get the spoils...like more publicity, book deals, and opportunities dropped in their lap. If you're tired of being on the outside and want to be somebody people chase on LinkedIn, then invest in this book.

Networking for Nerds Alaina G. Levine, 2015-05-13 Networking for Nerds provides a step-by-step guide to understanding how to access hidden professional opportunities through networking. With an emphasis on practical advice on how and why to network, you will learn how to formulate and execute a strategic networking plan that is dynamic, multidimensional, and leverages social media platforms and other networking channels. An invaluable resource for both established and early-

Humblebrag Harris Wittels,2014-07-01 From comedian and writer (Parks and Recreation, Eastbound & Down) Harris Wittels comes a hysterical breakdown of boasts, brags, and self-adulation disguised as humble comments and complaints-

based on his popular @humblebrag Twitter feed. Something immediately annoyed Harris Wittels about Twitter. All of a sudden it was acceptable to brag, so long as those brags were ever-so-thinly disguised as transparent humility, such as: Just filed my taxes. Biggie was right, mo money mo problems. I hate when I go into a store to get something to eat and the male staff are too busy hitting on me to get my order right :(so annoying! Taking action by naming this phenomenon and creating the Twitter account called Humblebrag-dedicated solely to retweeting the humblebrags of others-Wittels's new word took the Internet by storm. Harris also shows readers what humblebrags might look like from some of history's most notable names, as well as devoting an entire chapter to a man who just might be the greatest humblebraggart of them all...

Ditch That Textbook Matt Miller, 2015-04-13 Textbooks are symbols of centuries-old education. They're often outdated as soon as they hit students' desks. Acting by the textbook implies compliance and a lack of creativity. It's time to ditch those textbooks--and those textbook assumptions about learning In *Ditch That Textbook*, teacher and blogger Matt Miller encourages educators to throw out meaningless, pedestrian teaching and learning practices. He empowers them to evolve and improve on old, standard, teaching methods. *Ditch That Textbook* is a support system, toolbox, and manifesto to help educators free their teaching and revolutionize their classrooms.
