The Freelance Manifesto Joey Korenman,2017-05-31 Designing beautiful boards and making smooth animation come naturally to us Motion Designers. It's what we're good at. However, designing the career we want, with the freedom, flexibility, and pay we crave, that's more difficult. All of the above is within your grasp if you're willing to take the plunge into freelancing. School of Motion founder Joey Korenman worked in every kind of Motion Design role before discovering that freelancing offered him not only more autonomy but also higher pay, less stress, and more creativity. Since then, he's taught hundreds of School of Motion students his playbook for becoming a six-figure freelancer. Now he shares his experience and advice on breaking out of the nine-to-five mold in this comprehensive and tactical handbook. The Freelance Manifesto offers a field guide for Motion Design professionals looking to make the leap to freelance in two clear and concise parts. The first examines the goals, benefits, myths, and realities of the freelance lifestyle, while the second provides future freelancers with a five-step guide to launching and maintaining a solo business, including making contact, selling yourself, closing the deal, being indispensable, and becoming a lucrative enterprise. If you're feeling stifled by long hours, low-paying gigs, and an unfulfilling career, make the choice to redesign yourself as a freelancer-and, with the help of this book and some hard work, reclaim your time, independence, and inspiration for yourself.

Print and Email Newsletter Templates That Work Brian Conwell,2021-02-14 A weekly newsletter, in email or print, is an important component of effective marketing and branding. Ignoring them can restrict brands from growth. About 90% of the larger companies that consult with me on their newsletters get SUPER STRESSED about the visual layout of their newsletter. That's because many marketers forget that in a newsletter, there's the art of writing and the art of selling. To write a great newsletter, you have to know how to combine both. If you keep hard-selling people all the time, your newsletter will either get trashed or unsubscribed too quickly. It has to serve some inherent value to stay around for a long time! Value can mean

many things: Entertainment value (a newsletter they sign up for entertainment). Educational value (a newsletter they sign up to for learning something). Notification value (a newsletter they sign up to for hearing about events, or deals, or news). Preferably your newsletter does all of the above over time. This is a great way to ensure people look forward to your newsletter, and will follow you (or your business) on any medium. Whether you're building a mailing list, want to grow an existing one, or simply want to raise your email game, PRINT AND EMAIL NEWSLETTER TEMPLATES THAT WORK is bite-sized into chapters to help you produce a professional and profitable newsletter that your subscribers will love to read.

The Seven Figure Agency Roadmap Josh Nelson, 2019-10-29 The Seven Figure Agency Roadmap is the must-have resource for digital marketing agency owners. Increase your income, work when and how you want, get your clients get incredible results..... and live your desired lifestyle. The Seven Figure Agency is designed to solve these issues you may be experiencing such as: * Too many agencies hit an income ceiling, and never make the kind of money (or the kind of impact) that they are capable of. They get stuck at one of the 3 plateaus: Startup, Struggle or even Success * Most agencies blame themselves, and try to work on their MINDSET -- But nothing changes because it's not your mindset that's the problem. It's the MODEL that needs to change. * The model that you bought into when you started your agency business is completely unscalable (Manual prospecting to get a few leads, chasing prospects down rather than getting them to come to you... and living off of project revenue so there's never consistent income or time for you). * For the last 5 years, the author has been working with a select group of agencies, taking them from Struggle to Success, Scale and Significance. Josh Nelson has a very new approach and he shares the very best of what is working in his business & for the agencies he works with to build million dollar agencies. This book is essential reading for agencies of all types and experience-levels and is of particular value for anyone looking to start a digital marketing agency to short cut growing pains and accelerate their growth to Seven Figures & Beyond. Forget the old concept of a general, digital marketing agency that takes years to establish - there's no need to wait when you have The Seven Figure Agency Roadmap. Whether your dream is to control your schedule or earn six figures in a month, The Seven Figure Agency Roadmap is your manual. This set of turn-by-turn directions to building a digital agency teaches: * How Josh went from virtually bankrupt to running a hypergrowth agency that made the Inc 5000 list of fastest growing companies in the Untied States 4 years in a row * How to build the team that will manage the day-to-day operations * How top agency owners grow to seven figures within a year * How to add \$5,000 in monthly recurring revenue to your agency every single month * How to rapidly establish authority in any niche, so clients ask to work with you When you purchase the book you get access to a workbook that help you put the ideas into action: * Multiple case studies & long form interviews with members of Seven Figure Agency Coaching who have grown their revenue to seven figures, hired teams to replace themselves, or sold their agencies for a nice profit * Josh's templates you can copy for setting goals, designing your marketing, and tracking performance * How the Seven Figure Agency principles create a life shaped to your goals

Insight Selling Mike Schultz,John E. Doerr,2014-04-30 What do winners of major sales do differently than the sellers who almost won, but ultimately came in second place? Mike Schultz and John Doerr, bestselling authors and world-renowned sales experts, set out to find the answer. They studied more than 700 business-to-business purchases made by buyers who represented a total of \$3.1 billion in annual purchasing power. When they compared the winners to the second-place finishers, they found surprising results. Not only do sales winners sell differently, they sell radically differently, than the second-place finishers. In recent years, buyers have increasingly seen products and services as replaceable. You might think this would mean that the sale goes to the lowest bidder. Not true! A new breed of seller—the insight seller—is winning the sale with strong prices and margins even in the face of increasing competition and commoditization. In *Insight Selling*, Schultz and Doerr share the surprising results of their research on what sales winners do differently, and outline exactly what you need to do to transform yourself and your team into insight sellers. They introduce a simple three-level model based on what buyers say tip the scales in favor of the winners: Level 1 Connect. Winners connect the dots between customer needs and company solutions, while also connecting with buyers as people. Level 2 Convince. Winners convince buyers that they can achieve maximum return, that the risks are acceptable, and that the seller is the best choice among all options. Level 3 Collaborate. Winners collaborate with buyers by bringing new ideas to the table, delivering new ideas and insights, and working with buyers as a team. They also found that much of the popular and current advice given to sellers can damage sales results. *Insight Selling* is both a strategic and tactical guide that will separate the good advice from the bad, and teach you how to put the three levels of selling to work to inspire buyers, influence their agendas, and maximize value. If you want to find yourself and your team in the winner's circle more often, this book is a must-read.

Ultimate Guide to Email Marketing for Business Susan Gunelius,2018-05-15 *Send Better Email. Build a Better Business.* With more than 2.6 million email messages sent every second, it's becoming harder to stand out in inboxes—not to mention in a sea of spam, which accounts for 67 percent of those emails. Marketing and strategic branding expert Susan Gunelius gives you the tools you need to grow your list of email subscribers, keep them engaged, and turn them into lifelong customers. By focusing on building a strong foundation first, you'll learn how to develop a comprehensive email marketing program designed to evolve with your business. Then, Gunelius shows you how to convert subscribers into buying customers and vocal brand advocates with the techniques that marketing professionals use to build their businesses and increase their revenue using email. You'll learn how to: Use free content to encourage people to subscribe to your email list Develop

conversion funnels that drive people to buy from you or sign up for your webinars Save time and keep subscribers engaged with your brand with email automation Boost conversions with list segmentation techniques designed to get the right message to the right people at the right time Test your messages and analyze your performance using key metrics to improve your results Win back customers with automation and personalization strategies designed to build a one-on-one relationship with your audience Understand the laws and deliverability rules you must follow and tools to help you along the way

The New Inbox Simms Jenkins,2013-04-15 Email marketing remains the glue of any marketing department yet the rules are changing. Simms Jenkins, Author of the groundbreaking book *The Truth About Email Marketing* and Founder and CEO of BrightWave Marketing - North Americas leading email marketing focused digital agency - provides the keys to elevating your email program in a dynamic new digital world, including: How email marketing fits in a social networking crazed world Why mobile is the biggest game changer to hit email marketing. Ever! Real examples and advice on how to grow your list, create better emails, what to test and how to drive more sales, acquire more customers and save your company money.

Baseline Selling Dave Kurlan,2005-11 *Baseline Selling - How to Become a Sales Superstar by Using What You Already Know About the Game of Baseball*, will dramatically change the way we approach the sales process, replacing the gratuitous complexity advocated by today's sales experts with an elegant and very effective simplicity. Studies have shown that the selling techniques of the last two decades have had very little impact on most of the sales population less than 75 percent of all salespeople, to be exact. Why? Because of the complexity, learning curve and difficulty in applying the concepts in these systems. In response to the urgent need for a flexible, innovative process that will enable people to grasp the essential skills necessary to close a sale in any situation, *Baseline Selling* reemphasizes the fundamentals of selling in a fresh, memorable way that modern sales professionals can relate to and utilize, and above all, one that complements and enriches advanced sales methodologies. Salespeople who read this book and put its wisdom to work will succeed at acquiring more opportunities as they learn to get appointments more easily. They will excel at creating opportunities with prospects who are not interested. They'll sell at higher margins by using the Rule of Ratios. Their closing percentages will improve dramatically as they implement the simple Inoffensive Close. Salespeople selling commodities, struggling to differentiate themselves, will love *Commodity Busters* and every salesperson will be able to shorten their sell cycle by *Taking a Lead*. Quite simply, *Baseline Selling* introduces a way for salespeople to visualize and touch all the sales bases without over-complicating the process.

Email Marketing in a Digital World Richard C. Hanna, Scott D. Swain, Jason Smith, 2015-12-18 Despite annual predictions of its demise, email marketing remains one of the most important tools for businesses and other organizations. The reason is simple. Other communication tools, including social and digital media channels, cannot duplicate or recreate the unique capabilities of email marketing. This book is for those who wish to learn more about how email marketing works, whether as students, teachers, or practitioners. The authors recap the history of email and email marketing and explain how it informs email today. They cover the fundamentals of email marketing, including types of emails, the elements of an email, email metrics, best practices for email for improving performance, list development, and the benefits of segmenting an email list. Also addressed are special topics in email strategy, including the psychology of email recipients, AB testing for optimizing email elements, integrating email with social media, and aligning email with big data sources.
