Christ in the Classroom Jared Dees, 2018-09-07 If the goal of catechesis is to cultivate an encounter with Christ, why do religious educators spend so much time focused almost exclusively on ideas and not experiences? The reason is that many have never been shown a method that inspires the heart while also instructing the mind. Jared Dees, creator of the popular website *The Religion Teacher*, shows how applying the steps of *lectio divina* to teaching can reorient religious education toward encountering the person of Christ rather than merely sharing information about him. In *Christ in the Classroom*, Catholic author and speaker Jared Dees applies the five steps of *lectio divina*—reading/learning, meditation, prayer, contemplation, and action—to the ministry of catechesis. He offers teachers and catechists a practical framework for preparing lessons that broaden the focus of teaching from mostly intellectual learning to also encountering Christ in prayer, reflection, and action. Using this method, students and catechists come to know intimately the person of Christ at the same time that they are learning the tenets and traditions of the Church. Dees shares stories of success and failure from his own

teaching experience and he offers dozens of field-tested strategies, tactics, and teaching methods to effectively integrate the steps of lectio divina into the classroom or other catechetical setting. Outfitted with these tools, both experienced and new religious educators will feel confident in their ability to teach effectively and lead their students to a life-changing encounter with Jesus.

Quest for the Living God Elizabeth A. Johnson, 2011-07-21 'Since the middle of the twentieth century,' writes Elizabeth Johnson, 'there has been a renaissance of new insights into God in the Christian tradition. On different continents, under pressure from historical events and social conditions, people of faith have glimpsed the living God in fresh ways. It is not that a wholly different God is discovered from the One believed in by previous generations. Christian faith does not believe in a new God but, finding itself in new situations, seeks the presence of God there. Aspects long-forgotten are brought into new relationships with current events, and the depths of divine compassion are appreciated in ways not previously imagined.' This book sets out the fruit of these discoveries. The first chapter describes Johnson's point of departure and the rules of engagement, with each succeeding chapter distilling a discrete idea of God. Featured are transcendental, political, liberation, feminist, black, Hispanic, interreligious, and ecological theologies, ending with the particular Christian idea of the one God as Trinity.

Praying the Angelus Jared Dees, 2017-03-03 The Angelus is a centuries-old Catholic devotion that recalls the annunciation of Christ's birth by the Angel Gabriel to the Virgin Mary. In *Praying the Angelus*, popular author and speaker Jared Dees reinvigorates the devotion, shares intimately from his own experience of it, shows us how to get started, and enriches the practice with original meditations to reflect on the words of both the Angelus and the Regina Caeli. Jared Dees was twenty-seven and in his fourth year of teaching religion in a Catholic school when he first experienced the Angelus. The creator of The Religion Teacher website allows the devotion to anchor his prayer life and challenge him to daily conversion of heart and will. Dees introduces the Angelus devotion and explores its rich history and significance for the Church. As spiritual companion and guide, he offers meditations on the words and images of both the Angelus and the Regina Caeli, which is prayed during the Easter season. We find lessons about the power of repetitive prayer, the humility of being a disciple, the importance of admitting time belongs to God, the wisdom of taking time with discernment, and the joy of resting in the Lord's presence. He shares personal stories of the life-change power of the Angelus and guides both newcomers and those already familiar with the prayer to contemplate the mysteries of salvation that lie at the heart of the devotion—the Annunciation,

Incarnation, and Resurrection. Named for the opening words of the devotion's first prayer in Latin, The Angel of the Lord declared unto Mary, the Angelus is typically prayed at 6:00 a.m., noon, and 6:00 p.m. each day. Likewise the Regina Caeli is named for the opening lines of its prayer, Queen of heaven, rejoice, alleluia. Praying the Angelus is supported by Dees's website, TheAngelusPrayer.com, where people can gather online to participate in and share this devotion with others.

A Year With the Mystics Kathryn Jean Lopez, 2019-09-17 There's so much noise. Everything can seem like a distraction. Distraction, in fact, seems our oxygen. When was the last time you saw people talking on an elevator? We seem to plug in everywhere. We have earphones and screens and don't even look up, never mind find time for silence. Our hearts need quiet. How are we ever going to pray otherwise? How could we ever possibly know God's love and will, and the truth about ourselves and the world without resting in Him? Resting in Him. What does that even mean? In *A Year with the Mystics*, popular National Review journalist and commentator Kathryn Jean Lopez, who writes and speaks frequently about faith and public life, and prayer and the Church, offers readers a tour of the magnificent variety of mystical writing in the heart of the Church. Featuring reflections from both household and contemporary names like Saint John Paul II, Mother Teresa and Edith Stein, as well as titanic historic figures such as St. Catherine of Siena and John of the Cross. The words of these holy men and women of prayer are presented in accessible doses ideal for daily prayer amidst the seemingly all-consuming busy-ness of life. Each page is an invitation to enter more deeply into the life of faith. What does the road to union with God look like? What is a dark night? What is true love of the Trinity? What is this Church as bridegroom business? Mysticism is not some foreign and remote life of prayer for poets and saints in heaven; rather, it is the call for every Christian to draw more deeply and profoundly from the heart of Christ in prayer. *A Year with the Mystics* is a tour, a retreat, and a love story in which God seeks you out. With the small commitment of a few minutes a day to prayer with mystic saints and other holy ones, you will be making time for communication and peace in the heart of the Trinity. Your faith will grow and you will see that the life of a contemplative in the world can be yours; it can become for you the air you breathe and a wellspring of renewal in your life as a Catholic, rooted in the sacraments. This beautiful Premium UltraSoft gift edition features two-tone sewn binding, ribbon marker, gold edges, and designed interior pages.

Introduction to the Spiritual Life Brant Pitre, 2021-11-02 A compelling exploration of the biblical foundations, contemplative practices, and spiritual path of Jesus himself—from the bestselling author of *The Case for Jesus* “What happens when a biblical theologian explores classic spirituality? This book. Pitre’s students have asked, Why have we never heard this before? The reader wonders the same.”—Dr. David Fagerberg, author of *Liturgical Mysticism* The path of following Jesus is an ancient and storied spiritual tradition. Yet many believers are not familiar with the three major forms of prayer and the three stages of spiritual growth that exist to bring them closer to God. In his most personal book yet, Brant Pitre, PhD, draws on the riches of the Bible, the words of Jesus, and the writings of mystics across the centuries to shed light on the mystery—and wonder—of the spiritual life. Starting with the age-old belief that the path of prayer is not only informative but transformative, Dr. Pitre explores • the scriptural roots of the major forms of prayer: vocal prayer, meditation, and contemplation • the purgative, illuminative, and unitive stages of spiritual growth • the spiritual exercises of prayer, fasting, and almsgiving • the Jewish roots of the Lord’s Prayer • *Lectio Divina*: how to pray with the Bible • seven vices and their seven opposing virtues • the battle of prayer: how to deal with difficulty and distractions • the “dark night of the soul” in the Scriptures Full of sacred truths, contemplative insights, and practical steps, *Introduction to the Spiritual Life* is a biblical road map of the spiritual landscape that enables us to follow Jesus as our primary guide.

To Heal, Proclaim, and Teach Jared Dees, 2016-03-25 Popular author, catechist, and creator of The Religion Teacher website Jared Dees learned a valuable lesson from his students: teaching is not the same as evangelization. He found instead—as in Jesus’ own ministry—if you focus first on healing the wounded, then proclaiming the Word of God, and finally teaching, you can bring people of all ages to Christ. Using examples from his own teaching, stories from the Bible, and the lives of the saints, Dees offers a fresh and engaging approach and practical ideas for following the ministry of Jesus in your own work. Jesus had a threefold ministry on Earth: to heal the sick and wounded, proclaim the Good News, and teach those who became his disciples. It’s an approach imitated by the saints throughout history and continues to be the cornerstone of successful ministry in parishes, Catholic schools, and other vibrant programs today. Jared Dees—author of *31 Days to Becoming a Better Religious Educator*—will help you understand how Jesus’ ministry transformed lives through biblical examples such as Paul, Bartimaeus, the centurion’s servant, and the woman at the well. He shares the importance of healing through the ministries of saints, such as Mother Teresa, Br. André Bessette, Ignatius of Loyola, and Fr. Damien of Molokai. In *To Heal, Proclaim, and Teach*, Dees offers practical examples of how to apply Jesus’ threefold ministry to everyday life: allow yourself to be constantly evangelized; learn to help others through both good and bad times; and root yourself in community. He also suggests examples of ministries that are effectively reaching the faithful of all ages today, including Catechesis of the Good Shepherd, Life Teen, Teens Encounter Christ, Theology on Tap, FOCUS, and Christ Renews His Parish. Dees will guide you with practical ways to imitate Jesus’ ministry in your own classrooms and faith formation programs at all levels. *To Heal, Proclaim, and Teach* was a 2017 winner of the Association of Catholic Publishers Excellence in Publishing Award: Resources for Ministry (Third Place) and the Catholic Press Association Book Award: Pastoral Ministry (Third Place).
