Representing Yourself in Federal Court United States District Court, Northern District of California, 2017-08-04 This Handbook is designed to help people dealing with civil lawsuits in federal court without legal representation. Proceeding without a lawyer is called proceeding pro se, a Latin phrase meaning for oneself, or sometimes in propria persona, meaning in his or her own person. Representing yourself in a lawsuit can be complicated, time consuming, and costly. Failing to follow court procedures can mean losing your case. For these reasons, you are urged to work with a lawyer if possible. Chapter 2 gives suggestions on finding a lawyer. Do not rely entirely on this Handbook. This Handbook provides a summary of civil lawsuit procedures, but it may not cover all procedures that may apply in your case. It also does not teach you about the laws that will control your case. Make sure you read the applicable federal and local court rules and do your own research at a law library or online to understand your case. The United States District Court for the Northern District of California has Clerk's Offices in the San Francisco, San Jose and Oakland courthouses. Clerk's Office staff can answer general questions, but they cannot give you any legal advice. For example, they cannot help you decide what to do in your lawsuit, tell you what the law means, or even advise you when documents are due. There are Legal Help Centers in the San Francisco, Oakland and San Jose courthouses where you can get free help with your lawsuit from an attorney who can help you prepare documents and

give limited legal advice. This attorney will not be your lawyer and you will still be representing yourself. See Chapter 2 for more details.

Deposing and Examining Employment Witnesses Tod F. Schleier, 2007-10 To make it easy for you to prepare for a particular deposition or examination, the book is organized by witness. Each witness-specific section delivers: (1) trial-tested strategies and arguments, (2) model deposition questions specific to cause of action and annotated with tactics, (3) checklists and tactics for direct and cross examinations, with extensive examples sprinkled with practice tips, and (4) summary checklists of the important points that should be inquired into for each cause of action. Tools and advice are provided for both employee and management attorneys. Mastering the art of questioning employment witnesses is a career-long process. It can take dozens of years in the courtroom to learn how to persuasively: (1) demonstrate that reasonable economists can disagree, (2) compel an adverse witness to ratify your position, and (3) contradict a manager or plaintiff on an important fact. Tod Schleier's *Deposing & Examining Employment Witnesses* will take years off your learning curve. It is filled with practical strategies, examples, tactics, and tips for successful questioning and other essential elements of employment advocacy.
