Storyworthy Matthew Dicks,2018-05-15 A five-time Moth GrandSLAM winner and bestselling novelist shows how to tell a great story — and why doing so matters. Whether we realize it or not, we are always telling stories. On a first date or job interview, at a sales presentation or therapy appointment, with family or friends, we are constantly narrating events and interpreting emotions and actions. In this compelling book, storyteller extraordinaire Matthew Dicks presents wonderfully straightforward and engaging tips and techniques for constructing, telling, and polishing stories that will hold the attention of your audience (no matter how big or small). He shows that anyone can learn to be an appealing storyteller, that everyone has something “storyworthy” to express, and, perhaps most important, that the act of creating and telling a tale is a powerful way of understanding and enhancing your own life.

With a preface by Aaron T. Beck, founder of the cognitive approach, the Encyclopedia features entries by noted experts including Arthur Freeman, Windy Dryden, Marsha Linehan, Edna Foa, and Thomas Ollendick to name but a few, and reviews the latest empirical data on first-line therapies and combination approaches, to give readers both insights into clients' problems and the most effective treatments available. • Common disorders and conditions: anxiety, depression, OCD, phobias, sleep disturbance, eating disorders, grief, anger • Essential components of treatment: the therapeutic relationship, case formulation, homework, relapse prevention • Treatment methods: dialectical behavior therapy, REBT, paradoxical interventions, social skills training, stress inoculation, play therapy, CBT/medicine combinations • Applications of CBT with specific populations: children, adolescents, couples, dually diagnosed clients, the elderly, veterans, refugees • Emerging problems: Internet addiction, chronic pain, narcolepsy pathological gambling, jet lag All entries feature reference lists and are cross-indexed. **168 Hours** Laura Vanderkam, 2011-05-31 It's an unquestioned truth of modern life: we are starved for time. We tell ourselves we'd like to read more, get to the gym regularly, try new hobbies, and accomplish all kinds of goals. But then we

give up because there just aren't enough hours to do it all. Or if we don't make excuses, we make sacrifices- taking time out from other things in order to fit it all in. There has to be a better way...and Laura Vanderkam has found one. After interviewing dozens of successful, happy people, she realized that they allocate their time differently than most of us. Instead of letting the daily grind crowd out the important stuff, they start by making sure there's time for the important stuff. When plans go wrong and they run out of time, only their lesser priorities suffer. Vanderkam shows that with a little examination and prioritizing, you'll find it is possible to sleep eight hours a night, exercise five days a week, take piano lessons, and write a novel without giving up quality time for work, family, and other things that really matter.

The program begins with Cameron's most vital tools for creative recovery - The Morning Pages, a daily writing ritual of three pages of stream-of-consciousness, and The Artist Date, a dedicated block of time to nurture your inner artist. From there, she shares hundreds of exercises, activities, and prompts to help readers thoroughly explore each chapter. She also offers guidance on starting a "Creative Cluster" of fellow artists who will support you in your creative endeavors. But now Siria Nightingale is headed to the heart of the darkness to try and restore the Light—or lose everything trying. Sixteen-year-old Siria Nightingale has never seen the sun. That’s because Queen Iyzabel shrouded the kingdom in shadow upon her ascent to the throne, with claims it would protect her subjects from the dangerous Light. The Darkness has always left Siria uneasy, and part of her still longs for the stories of the Light-filled days she once listened to alongside her best friend Linden, told in secret by Linden’s grandfather. But Siria’s need to please her strict and demanding parents means embracing the dark and heading to the royal city—the very center of Queen Izybel’s power—for a chance at a coveted placement at court. And what Siria discovers at the Choosing Ball sends her on a quest toward the last vestiges of Light, alongside a ragtag group of rebels who could help her restore the sun ... or doom the kingdom to shadow forever. *Ignite the Sun* is: A YA fantasy adventure with a unique take of the light versus dark trope An allegorical exploration of the struggle with anxiety and depression Perfect for readers 13 and up A great gift for Christmas, birthday, or other gift giving holidays of young adult readers A good book club pick or cozy winter read
