**Mayor Good Boy** Dave Scheidt, Miranda Harmon, 2021-08-31 There's a new dog in town! Finally Greenwood gets the mayor they've been waiting for--Mayor Good Boy! In this graphic novel, a very good dog is going to save his town, one hilarious try at a time. The votes are in and the new mayor is...A DOG?! This dog will do more than shake paws. Mayor Good Boy is here to help Greenwood become a town filled with kindness, starting with fetching help for the local zoo. With foes around every corner trying to put a stop to Mayor Good Boy's campaign of fun, are there cheese snacks and belly rubs in his future? Or will the whole town suddenly have a flea problem? In the hilarious Mayor Good Boy graphic novel series, everyone can make the world a better place, whether you're a human or a dog.

*Fluorescent Black* Mf Wilson, 2010 Welcome to Singapore in the year 2085, where gene-tech has divided humankind into two races: the rich, healthy Superiors and the poor, sick Inferiors. These two races live in neighborhoods separated by a heavily fortified border. A superior named Nina is the test model for cutting edge genetic designs. She is a paragon of physical and mental health: her brain and body represent billions of dollars worth of corporate research and development. During a bio-terrorist attack, Nina is kidnapped by a street gang and taken across the border into a ghetto full of man-made splice animals, psychopathic hookers, drug addled freaks, deadly insects, poisonous ecosystems, and abandoned tenements. When the corporations tighten their dragnet, the gang quickly discovers that this is no ordinary captive ... and she may be the key to solving all of their problems. -- Flamesrising.com.

*People We Meet on Vacation* Emily Henry, 2021-05-11 From the #1 New York Times bestselling author of *Book Lovers* and *Beach Read* comes a sparkling novel that will leave you with the warm, hazy afterglow usually reserved for the best vacations. Two best friends. Ten summer trips. One last chance to fall in love. Poppy and Alex. Alex and Poppy. They have nothing in common. She's a wild child; he wears khakis. She has insatiable wanderlust; he prefers to stay home with a book. And somehow, ever since a fateful car share home from college many years ago, they are the very best of friends. For most of the year they live far apart—she's in New York City, and he's in their small hometown—but every summer, for a decade, they have taken one glorious week of vacation together. Until two years ago, when they ruined everything. They haven't spoken since. Poppy has everything she should want, but she's stuck in a rut. When someone asks when she was last truly happy, she knows, without a doubt, it was on that ill-fated, final trip with Alex. And so, she decides to convince her best friend to take

one more vacation together—lay everything on the table, make it all right. Miraculously, he agrees. Now she has a week to fix everything. If only she can get around the one big truth that has always stood quietly in the middle of their seemingly perfect relationship. What could possibly go wrong? It will quickly run you through the basics of programming to let you exploit a number of features offered by Go programming language. What You Will Learn Install and configure the Go development environment to quickly get started with your first program. Use the basic elements of the language including source code structure, variables, constants, and control flow primitives to quickly get started with Go Gain practical insight into the use of Go's type system including basic and composite types such as maps, slices, and structs. Use interface types and techniques such as embedding to create idiomatic object-oriented programs in Go. Develop effective functions that are encapsulated in well-organized package structures with support for error handling and panic recovery. Implement goroutine, channels, and other concurrency primitives to write highly-concurrent and safe Go code Write tested and benchmarked code using Go's built test tools Access OS resources by calling C libraries and interact with program environment at runtime In Detail The Go programming language has firmly established itself as a favorite for building complex and scalable system

applications. Go offers a direct and practical approach to programming that let programmers write correct and predictable code using concurrency idioms and a full-featured standard library. This is a step-by-step, practical guide full of real world examples to help you get started with Go in no time at all. We start off by understanding the fundamentals of Go, followed by a detailed description of the Go data types, program structures and Maps. After this, you learn how to use Go concurrency idioms to avoid pitfalls and create programs that are exact in expected behavior. Next, you will be familiarized with the tools and libraries that are available in Go for writing and exercising tests, benchmarking, and code coverage. Finally, you will be able to utilize some of the most important features of GO such as, Network Programming and OS integration to build efficient applications. All the concepts are explained in a crisp and concise manner and by the end of this book; you would be able to create highly efficient programs that you can deploy over cloud. Style and approach The book is written to serve as a reader-friendly step-by-step guide to learning the Go programming language. Each topic is sequentially introduced to build on previous materials covered. Every concept is introduced with easy-to-follow code examples that focus on maximizing the understanding of the topic at hand.

**Book Lovers** Emily Henry,2022-05-03 “One of my favorite authors.”—Colleen Hoover An insightful, delightful, instant #1 New York Times bestseller from the author of *Beach Read* and *People We Meet on Vacation*. Named a Most Anticipated Book of 2022 by Oprah Daily • Today • Parade • Marie Claire • Bustle • PopSugar • Katie Couric Media • Book Bub • SheReads • Medium • The Washington Post • and more! One summer. Two rivals. A plot twist they didn't see coming... Nora Stephens' life is books—she's read them all—and she is not that type of heroine. Not the plucky one, not the laidback dream girl, and especially not the sweetheart. In fact, the only people Nora is a heroine for are her clients, for whom she lands enormous deals as a cutthroat literary agent, and her beloved little sister Libby. Which is why she agrees to go to Sunshine Falls, North Carolina for the month of August when Libby begs her for a sisters' trip away—with visions of a small town transformation for Nora, who she's convinced needs to become the heroine in her own story. But instead of picnics in meadows, or run-ins with a handsome country doctor or bulging-forearmed bartender, Nora keeps bumping into Charlie Lastra, a bookish brooding editor from back in the city. It would be a meet-cute if not for the fact that they've met many times and it's never been cute. If Nora knows she's not an ideal heroine, Charlie knows he's nobody's hero, but as they are thrown together again and again—in a series of coincidences no editor worth their salt would allow—what they discover might just unravel the carefully crafted stories they've written about themselves.
