Active Word Play Jane Feber, 2008 Move beyond boring word drills and vocabulary quizzes with Active Word Play! The 31 engaging games and activities in Active Word Play encourage students in grades four and up to make new vocabulary words their own. As students actively work with words, the connections they make help them understand and retain the words they are learning. Jane Feber's active-engagement approach infuses Active Word Play with the same enthusiasm your students will experience when they play these games and create make-and-takes that promote long-term retention of new vocabulary words. Step-by-step instructions, illustrations, and templates-as well as lists of common roots, prefixes, and suffixes-make this a ready-to-go resource you'll use over and over. You just choose the words from literature or content-area and basal texts that fit your instructional needs. Students will have as much fun learning the new words as you will teaching them!

Differentiating Instruction With Menus for the Inclusive Classroom Laurie E. Westphal, 2021-09-03 Differentiating Instruction With Menus for the Inclusive Classroom: Math for grades 3-5 offers teachers everything they need to create a

student-centered learning environment based on choice. This book provides five different types of menus that students can use to select exciting products that they will develop so teachers can assess what has been learned—instead of using a traditional worksheet format. Topics addressed include whole numbers and operations, fractions, probability and statistics, geometry, and measurement. Differentiating Instruction With Menus for the Inclusive Classroom: Math provides numerous types of leveled menus that lower and on-level elementary-aged students can use to demonstrate learning through a method of their choice. Menus with similar formats but geared towards varying ability levels allow teachers to differentiate easily. Using the creative and challenging choices found in Tic-Tac-Toe menus, List menus, 2-5-8 menus, Three Shape menus, and Baseball menus, students will look forward to sharing their newfound knowledge throughout the year. Also included are specific guidelines for products, rubrics for assessing student products, and teacher introduction pages for each menu. This is a must-have for any teacher wanting to differentiate for a wide range of learners! Grades 3-5

Teach Meaningful Lauren Porosoff, 2020-07-15 Teach Meaningful is a practical guide to designing curriculum that meets standards, serves personal and institutional values, and intentionally leads to successful student learning. Identifying which understandings, knowledge, and skills are “most important” for students to learn is always a question of values, so getting clear on values gives teachers a starting place to design cohesive units, courses, and programs. Written by a teacher for teachers, Teach Meaningful includes: ● stories of failures and successes in designing curriculum from across subjects and grade levels ● metaphors from everyday life to help teachers understand curriculum design as a process rooted in values and culminating in meaningful learning ● examples of essential questions, assessment guidelines, lesson calendars, unit plans, and curriculum maps ● exercises and templates teachers can use to create and assess curriculum ● protocols designed to encourage inclusive participation and critical reflection when colleagues look at curriculum together

Dipal's Diwali Twinkl Originals, 2021-10-01 It's Diwali, and Dipal is excited to share the festival of lights with his little brother. As they celebrate together, Mohan is amazed by all the colourful decorations, beautiful rangoli patterns and dazzling fireworks he sees. This beautiful picture book is designed to introduce ages 3-7 to the traditions and key features associated with Diwali, the Hindu festival of light. The book introduces key learning points that you could explore further, such as the story of Rama and Sita, the meaning behind the diya lamps, what it's like inside a Hindu temple. and how Hindus carry out puja.
