Paris Metro Tales Helen Constantine, 2011-03-24 Following on from Helen Constantine's hugely successful Paris Tales, the twenty-two short stories included in More Metro Tales take the reader on an fascinating journey around Paris by metro. The journey begins at the Gare du Nord, stops at twenty underground stations along the way, and ends at Lamarck-Caulaincourt. Some of these stories actually take place in the metro itself, but most are to be found when you emerge above ground. They range from the 15th-century account of the miraculous Saint Genevieve, patron saint of Paris, through tales by favourite writers such as Zola, Simenon, and Maupassant, to Martine Delerm's evocation of the last hours of Modigliani's mistress, Jeanne Hébuterne. Gérard de Nerval evokes the thriving, bustling market in Les Halles in the 1850s; Colette recounts her involvement in a traffic accident near the Opéra; Boulanger describes a blackly funny experience in Père Lachaise. Each story is illustrated with a black-and-white photograph and there is a map and suggested itinerary round the metro system. Readers will find familiar and unfamiliar writers here, but all are masterly writers of the short story and each evokes a different aspect of this endlessly intriguing and much-loved city, whether the traveller is on the metro or at home sitting in an armchair.

Separated on the Paris Metro Cody Tolmasoff, 2020-10-01 As she pounded on the door of the Metro to let her in, the train lurched forward and started to move. Running over to look through the window where her younger sister Zoe and cousin Thibault sat alone, she yelled, "go to Thibault's house." Watching helplessly, the train disappeared into the tunnel. Anna Dahlia, a middle school girl on a Paris family vacation, wanted to prove her independence and show how responsible she could be. She never thought it would be this tough. While traveling on the Paris Metro with her younger sister and cousin, her purse is stolen while boarding a connecting train. She is left without directions, phone, or wallet. No one is around to help. Will she avoid a panic attack? Where will she find help? Can she make her way? Will her sister and cousin manage on their own? This wasn't the vacation she expected. □□□□ One story, written as two books, told from each sister's perspective. In the first book, read the story from Anna Dahlia's viewpoint. Continue with the second book to increase comprehension, add extra details, and story variations with the story seen from her sister Zoe's point of view. Reading a book twice can

dramatically increase reader comprehension. However, encouraging readers to read a story twice can be tough. Providing the same story from another character's point of view, bringing a change in perspective, and some alternate storylines will excite readers to take a deeper dive into what they have just read.
