Debt Payment Tracker Patricia Harris,2019-12 This monthly debt tracker and debt payment tracker I have been using to get out of debt fast!Want some pointers? 1) Make minimum payments on ALL OF YOUR DEBTS, but only make EXTRA payments on the debt with the highest interest rate. That should save you some money in the long-run. 2) Take your credit cards out of your wallet. If you have them on you, you will use them! I wouldn't go as far as shredding them, because you may need them in an emergency. 3.)Keep track of payoff amounts, due dates and make a goal to take care of debt early.To help your monthly budgeting so you don't have to use credit cards, check out my Monthly Finance/Bill Planner!

168 Hours Laura Vanderkam,2011-05-31 It's an unquestioned truth of modern life: we are starved for time. We tell ourselves we'd like to read more, get to the gym regularly, try new hobbies, and accomplish all kinds of goals. But then we give up because there just aren't enough hours to do it all. Or if we don't make excuses, we make sacrifices- taking time out from other things in order to fit it all in. There has to be a better way...and Laura Vanderkam has found one. After

interviewing dozens of successful, happy people, she realized that they allocate their time differently than most of us. Instead of letting the daily grind crowd out the important stuff, they start by making sure there's time for the important stuff. When plans go wrong and they run out of time, only their lesser priorities suffer. Vanderkam shows that with a little examination and prioritizing, you'll find it is possible to sleep eight hours a night, exercise five days a week, take piano lessons, and write a novel without giving up quality time for work, family, and other things that really matter.
