California Motor Vehicle Bill of Sale (As-Is) and Odometer Statement Sanket Mistry,2014-06-03 A bill of sale is used in California when a sale of a motor vehicle takes place. California law is not exactly the same as any other State. The Bill of Sale in this packet is designed for use in the sale of a motor vehicle in the State of California to comply with California law although, California does not make the bill of sale mandatory for the transaction of a motor vehicle. If a bill of sale is used, California will use the bill of sale to compute the Vehicle License Fee. Otherwise, California will use the vehicle's approximate value in calculating the Vehicle License Fee. A bill of sale is still used in California, and provides strong evidence of the occurrence of a transaction between the parties to help prevent fraud. Packet Includes: Executive Summary, State Specific Information, Checklist Walkthrough Instructions Forms FAQs and much more.

Teardrops and Tiny Trailers Douglas Keister,2008-07-01 Buckle up as Douglas Keister takes you for a decidedly retro ride in the world of diminutive travel trailers in Teardrops and Tiny Trailers. The demand for vintage trailers-the smaller the better-has risen dramatically in recent years, with the most in-demand trailers being teardrops, first manufactured in the 1930s and containing just indoor sleeping space and an outdoor exterior kitchen. Also profiled in the book are canned ham trailers, whose shape resembles the profile of a can of ham; small-size examples of America's most beloved vintage trailer, the Airstream; miniscule gypsy caravans in Europe; and fiberglass trailers made in Canada. Two hundred color photographs showcase these trailers' sleek exteriors, retro-styled interiors, and, in many cases, the restored classic cars that tow them. Teardrops and Tiny Trailers includes a resource section chock-full of places to locate vintage trailers, clubs to join, and rallies to attend. Photographer/writer Douglas Keister has authored thirty-six critically acclaimed books. His books on classic recreational vehicles include Ready to Roll, Silver Palaces, and Mobile Mansions. In addition, he has authored twenty-five books on architecture, including Inside the Bungalow, Storybook Style, Red Tile Style, Classic Cottages, and Cottages.

Keister also writes and illustrates magazine articles and contributes photographs and essays to dozens of magazines, newspapers, books, calendars, posters, and greeting cards worldwide. He lives in Chico, California.

Tales from the Hills and Hollers Arlen Davidian, 2011-05 There are legends and stories and yarns and sayings and, finally, truths. But these truths might not quite meet the criteria for presentation as evidence in a court of law... With the flair of a true storyteller, Arlen Davidian expertly weaves together the tales he has encountered to create a patchwork portrait of life in rural Arkansas. Each life-the hobo, the Civil War soldier, the foreign exchange student, and the housewife-is captured vividly in the stories that Davidian relays. Whether they seem like hard truths or tall tales, each story gives the reader insight not only into the people of rural America but into the common heart of humanity. Readers may find that the **Tales from the Hills and Hollers** are not so different from the tales they too could tell about family members, neighbors, and friends.
