Ask a Manager Alison Green,2018-05-01 From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called "the Dear Abby of the work world." Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit "reply all" • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager "A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work."—Booklist (starred review) "The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience."—Library Journal (starred review) "I am a huge fan of Alison Green's Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor."—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide* "Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way."—Erin Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together*

Job Applications In A Week Pat Scudamore,Hilton Catt,2012-03-23 Getting hired just got easier You are about to discover everything you need to know about job applications and how to make them work. Starting on Sunday and going through to Saturday, you will learn the stages of a job application step by step so you build up a picture of what it takes to be successful. For many job applicants, what goes on behind employers' closed doors remains a hidden world but, by Saturday, you will have taught yourself how job applications are processed, what employers look for when they make up interview lists, and then, from the candidates they interview, who to shortlist and who to offer the job to. After considering what employers want and how you could meet their needs you will be able to formulate a plan for what needs to go into your CV, what you need to put in your cover letters and what you need to say about yourself on application forms. You will discover how to measure up the competition and how to make sure your name, and not someone else's, is on the interview list. You will also discover the importance of getting the right messages across in interviews - and what the right messages are. You will learn how to dictate the interview agenda to keep it on familiar territory where the best parts of your application will come out. You will learn to handle tough interview questions and to see what's behind them and what answers will impress the interviewer most. Once you've been shortlisted, you'll discover how to steer your application over the last hurdle and get the job offer you want. - Sunday: Defining the task - Monday: You and the image you present - Tuesday: Selection criteria - Wednesday: Getting interviews - Thursday: Going for interviews - Friday: Handling questions - Saturday: Getting shortlisted
