The One Year Chronological Bible NIV Tyndale,2012-03-12 The One Year Chronological Bible offers a fascinating way to read through the Bible in one year . . . in only fifteen minutes per day! Gain a better understanding of the order of biblical events and the historical context in which they unfolded. The entire Bible text—books, chapters, and even verses—is arranged in the order the events actually happened. Prophetic books are interwoven with the historical accounts they accompanied. Psalms follow the events about which they were written. Proverbs are placed in the time they were compiled. The life of Christ is woven into one moving story. And Paul’s letters to the young churches in the first century are integrated into the book of Acts. Transition statements help you understand why some Scripture portions appear where they do. You do not have to be a Bible historian to appreciate the fascinating new perspective waiting for you in The One Year Chronological Bible. It's like reading some of your favorite passages for the very first time. This edition uses the popular New International Version text.

Chronological Bible Reading Guide Jane Becker Weathers,2015-10-30 In this guide the events recorded in the Bible are arranged in chronological order to help us better understand how time flows through and joins, or occasionally separates, these sixty-six individual books. When seen in context with the historical, political, and religious settings, we can better understand the different lessons told in different styles and literary forms. I have grouped these readings by chapter and while this does not provide a perfect chronology (if that is even possible), it comes fairly close and helps retain some of the original authors flow when switching between books. The daily readings provide a guide through the entire Protestant canon in one calendar year, but set your own pace and let your eBook Reader keep track of your progress. This guide is the end result of a decade of personal research into Biblical history and fine-tuning the daily readings to maintain a consistent reading time. Invest 10-15 minutes a day to increase your faith and understanding of Scripture!
