The Big Book of Disney Word Search Puzzles Bob Sangwell, 2018-11 Can You Find the Magic? It's right there in front of you! Well, sort of. Disney historian Bob Sangwell's clever word search puzzles conceal key names, places, and things from over sixty of Disney's animated and live-action films. Each puzzle comes with a short historical introduction and features a hidden message. Beginning at the beginning, with Walt Disney's Laugh-O-grams, and ending with the recent animated film *Coco*, you'll find a word search search for each of your favorite Disney classic movies. Just like Walt Disney told his Imagineers to plus whatever they were working on, and make it even more magical, Bob plusses each humble word search with a hidden message, formed from the letters in the puzzle that are not used. The message relates to the topic of the puzzle and forms the basis for the short historical article that accompanies it. You'll not only find the magic...you'll learn about it, too!

Wacky-Shaped Word Search Puzzles to Keep You Sharp Mark Danna, 2004-03 What makes this collection of mind-boggling word search puzzles unlike any other? The shapes of each and every puzzle can be downright wacky at times. Instead of looking for hidden words in a jumble of letters that usually comes in a ho-hum square or rectangle, the words in these grids form distinctive picture outlines that are directly related to the puzzles' themes. You get a grid in the shape of a charging bull, for example, in a puzzle about the stock market. There are 58 word searches in all and each one is fun and challenging as well as a little different.
