Diary of a Football Handicapper Robert L. Carneiro, 2006-11-10 This journal captures the day-by-day, week-by-week excitement of a fall season spent challenging the sports books of Reno as the author tries to beat the point spread betting college football. While basically the story of one man, armed with a system, going head to head against the oddsmaker, it is also an ethnography of the sports books of Nevada. The author, a professional anthropologist, presents the most detailed

account ever written of just how sports books operate. How is the point spread made? By whom? How does it change, game by game, in response to the money bet? All this and more is revealed. . . . But beyond that here is a very human story of an avid football fan, indulging his passion and his hobby, trying doggedly to outsmart the oddsmaker. Moreover; the book catches the flavor of the gambling scene in Reno, as well as reflecting the color and pageantry of college football.

Tough Luck Jason Starr,2015-09-01 Mickey Prada's a nice kid. He works in a neighborhood seafood market in Brooklyn putting fish on ice. He's got a nice girlfriend. He even delayed college a year, to help his sick dad. But Mickey's got a problem. A customer at the fish store, Angelo Santoro, keeps asking Mickey to place bets for him and Angelo keeps losing. As Angelo gets further in the hole, his bad luck is turning out to be Mickey's too. Now Mickey's got his bookie after him and Angelo's showing him the butt of his pistol rather than paying him back. So when his best friend, Chris, asks Mickey to join him on a can't-lose caper, Mickey decides to go along. But, surefire schemes often have a way of backfiring, and this one is sending Mickey into an uncharted part of Brooklyn, where fish like Chris and Mickey have trouble just staying alive.

Football Scouting Methods Steve Belichick,2008 Considered the bible of scouting techniques according to the Los Angeles Times, *Football Scouting Methods* explains the basic scouting strategies and insights of author Steve Belichick. He was widely viewed as the ablest football scout of his time and coached at the U.S. Naval Academy for 33 years; his son is New England Patriots coach Bill Belichick, a three-time Super Bowl winner. When Steve Belichick died in November 2005, the New York Times headline cited him as Coach Who Wrote the Book on Scouting, and quoted Houston Texans General Manager Charley Casserly calling *Football Scouting Methods* the best book on scouting he had ever read. Joe Bellino, Navy's Heisman Trophy winner in 1960, told the Times that Steve Belichick was a genius. On Monday nights, he would give us his scouting reports, and even though we were playing powerhouses, I always felt we were prepared because he found a way for us to win. In recent years *Football Scouting Methods* has been one of the top ten most sought out-of-print books; used copies have been quite scarce. This reissue edition makes the original 1962 text available once again in exact facsimile. The book covers how to scout opponents, recognize defenses, analyze offenses, discover tip-offs that reveal the opponent's plays, compose a useful report, self-scout, and conduct postgame analysis. Steve Belichick taught many younger men how to scout and how to watch film and how to prepare their teams for the next week's game, David Halberstam noted in the Washington Post, and his best student was his own son Bill Belichick, one of whose greatest skills as a coach to this day remains his ability to analyze other teams, figuring out both their strengths and their vulnerabilities, and shrewdly deciding how to take away from them that which they most want to do. When CBS asked Bill Belichick to name his favorite book, he replied Well, I've got to go with my dad's. *Football Scouting Methods*. I'd have to go with that.
