**The Change Your Name Store** Leanne Shirliffe,2014-05-20 Who am I? It's a question a lot of children seem to ask themselves, at which point being "them" simply isn't enough. They want to be someone better. Many kids want to change their names. This is what happened to Wilma Lee Wu. One day, Wilma decides she no longer likes her name, and she sets off for the Change Your Name Store to find a new one. Once at the store, the possibilities seem endless. Mrs. Zeena McFooz, the store-owner, says that Wilma can try out any new name she wants with one catch: she must "go for a ride" to discover what it means to be that name. Will being Babette Bijou from France be better than Wilma Lee Wu? What about Dominga Delfino from Belize? Featuring an exciting story of discovery from author and humor blogger Leanne Shirliffe (of IronicMom.com), and fun, simple illustrations by Tina Kügler, The Change Your Name Store takes children on a journey to find their true identity and to celebrate who they are—name and all. Children ages 3 to 6 will be able to relate to Wilma's search for who she really is. The book promotes diversity, which is an important topic to kids to understand at an early age, and will be a good addition to preschool classrooms and urban homes in particular. Zeena McFooz is gentle and matter-of-fact, and the tone of the book is one of exploration and celebration of our individuality. The illustrations are sure to captivate kids' attention while helping to bring this important message to life. Sky Pony Press, with our Good Books, Racehorse and Arcade imprints, is proud to publish a broad range of books for young readers—picture books for small children, chapter books, books for middle grade readers, and novels for young adults. Our list includes bestsellers for children who love to play Minecraft; stories told with LEGO bricks; books that teach lessons about tolerance, patience, and the environment, and much more. *The Quran Journal: 365 Verses to Learn, Reflect Upon, and Apply* The Dua Journal,2019-02-26 The Quran is the foundation of our faith and the source of our guidance as Muslims, but many of us struggle to create or maintain a relationship with the words of Allah in our daily lives. Quran journaling is a great way to cultivate that relationship - it gives you flexibility to connect with the Quran on your terms and the ability to see how verses apply specifically to you and your individual circumstances. This journal will be your guide on that journey to connect with the Quran in a meaningful way. With relevant monthly themes and selected verses for each day, this journal will help you to get started creating that relationship, without the overwhelm of not knowing where or how to start. Make the intention that the 365 daily verses in this book will be your starting point on your lifelong journey to connect with Allah's words in ever deeper and more meaningful ways. That they will be your reminders when you feel like you have wandered off the path. That they will be your foundation and your grounding in a world that seems ever more hectic. Bismillah. - Theme and Verse Number: At the top of each page, you will find the theme for the month and the number of the verse in the Quran which you can use to look up the verse. - Arabic: Regardless of the level you are, practice Arabic writing by copying down the verse. - Translation: Write down the translation you best understand and connect with. - Tafsir: Read through and write the background, context, and explanation of each verse. The most well known authentic resource for tafsir is Tafsir Ibn Kathir. Th is can be purchased online or in many Islamic bookstores. Tafsir Ibn Kathir can also be found for free online in various places. - Application: Reflect on and apply the verse of the day to your life. How does this verse connect to you and your experiences? How does it relate to the overall theme? Are there any other verses, hadith, or quotes that this brings to mind? How does it make you feel? How can you act on it? These are some questions to get you started, but of course you can write whatever feels right. - Dua: Write a short dua

to help you put your learnings about the verse into action. Ameen. May Allah accept all your efforts in better connecting with the Quran.

**Tawheed for Kids** Saudi Curriculum,2018-12-07 This book is based on the Saudi Arabian Curriculum which is taught in all the primary schools in the KSA. It covers the full series of authentic Islamic knowledge through the primary school ages. It is important for all kids to have knowledge of these matters. Tawheed (توحيد) - is to single out Allaah in all types of worship. So whatever is considered to be worship, which is to do an act which is pleasing to Allaah in order to get closer to Allaah and follow the path that Allaah has commanded His slaves to follow. So the Muslim does every action in order to please his Creator, his Sustainer, and his Owner who is Allaah alone. This is the intention of doing all good deeds. Tawheed is of three different types First is the Tawheed of Lordship this in Arabic is called Al-Ruboobiyya which comes from the word Rabb (Lord). Our Lord, Allaah the Most High is Our Creator, Our Sustainer, Our Provider, and Our Owner. The second type of Tawheed is the Tawheed of worship. This means that once we have recognized and come to know that Allaah is our Lord. Then this means that we should also know that only Allaah has the right to be worshipped in truth. And no one other than Allaah deserves to be worshipped since only Allaah alone is our true Lord. So, therefore, the Tawheed of Worship is called in Arabic Tawheed Al-Uloohiyya. The third type of Tawheed is the Tawheed of the names and attributes of Allaah the Most High. In Arabic it is called Tawheed Al-Asma-was-Sifaat
