The Jesus Storybook Bible Sally Lloyd-Jones, 2010-06-15 The Moonbeam Award Gold Medal Winner in the religion category, *The Jesus Storybook Bible* tells the Story beneath all the stories in the Bible. At the center of the Story is a baby, the child upon whom everything will depend. Every story whispers his name. From Noah to Moses to the great King David---every story points to him. He is like the missing piece in a puzzle---the piece that makes all the other pieces fit together. From the Old Testament through the New Testament, as the Story unfolds, children will pick up the clues and piece together the puzzle. A Bible like no other, *The Jesus Storybook Bible* invites children to join in the greatest of all adventures, to discover for themselves that Jesus is at the center of God's great story of salvation---and at the center of their Story too.

The book features ten chapters of questions, and answers based on scripture and written in a style relevant to today's kids. The book also has a summary of the Gospel for those who want to be sure they are going to Heaven someday. Randy encourages kids to live "in Light of Heaven."

Your God is Too Glorious Chad Bird,2023-11-14 Most of us are regular people who have good days and bad days. Our lives are radically ordinary and unexciting. That means they're the kind of lives God gets excited about. While the world worships beauty and power and wealth, God hides his glory in the simple, the mundane, the foolish, working in unawesome people, things, and places. In our day of celebrity worship and online posturing, this is a refreshing, even transformative way

of understanding God and our place in his creation. It urges us to treasure a life of simplicity, to love those whom the world passes by, to work for God's glory rather than our own. And it demonstrates that God has always been the Lord of the cross-- a Savior who hides his grace in unattractive, inglorious places. Your God Is Too Glorious reminds readers that while a quiet life may look unimpressive to the world, it's the regular, everyday people that God tends to use to do his most important work.

Questions of Faith Peter Berger, 2008-04-15 Leading religious and cultural commentator, Peter Berger, explores how and what we can believe in modern times. Deals clearly with questions such as 'Does God exist? What was so special about Jesus? How can one be Christian in a pluralistic society? Structured around key phrases from the Apostles' Creed. Draws on the Christian theological tradition and the work of other relevant thinkers, such as Freud and Simone Weil. The author takes the position of an open-minded sceptic, exploring his own beliefs.

The Genesis 6 Conspiracy Gary Wayne, 2020-09-15 *Genesis 6 Conspiracy: There are giants among us, passing largely unnoticed, intent on carrying out a secret plan to enslave all humanity. They may not look like giants today, but their bloodlines extend all the way back to the Nephilim—the offspring of angels who mated with human women—described in Genesis 6 when giants roamed the land. Gary Wayne, author of *The Genesis 6 Conspiracy: How Secret Societies and the Descendants of Giants Plan to Enslave Humankind*, details the role of modern-day Nephilim in Satan's plan to install the Antichrist at the End of Days. When God cast the angel Lucifer and his followers out of heaven, Lucifer set into motion a scheme to ensure the Nephilim survived. Why? Because from the bloodlines of these Nephilim the Antichrist will come. To*

keep his plan alive, Satan has enlisted the loyalty of secret societies such as the Freemasons, the Templars, and the Rosicrucians to conspire in teaching a theology and a history of the world that is contrary to the biblical one. This Genesis 6 Conspiracy marches toward the Great Tribulation, when the loyalty of the Terminal Generation—this generation—will be tested. The Bible, along with many other ancient sources, clearly records the existence of giants. Wayne provides copious citations from many society insiders, along with extensive Bible references, other religious references, and historical material to bolster his contention. What he uncovers will astonish you—and it will challenge you to prepare for the fulfilling of God’s promises.
