Secret Pizza Party Adam Rubin, 2013-09-03 Shhhh! Don't tell anyone about this mouth-watering book from the New York Times bestselling creators of *Dragons Love Tacos!* How does Raccoon love pizza? Oh, let him count the ways. He loves the gooey cheesy-ness, salty pepperoni-ness, sweet sweet tomato-ness, and of course the crispity crunchity crust. But someone is always chasing poor Raccoon away from his favorite food with a broom! What's a hungry raccoon to do? Plan an elaborate secret pizza party, of course! But shhh! It's a secret! In fact, you should probably just forget I told you. Nope, no secret pizza party happening here. You didn't already tell all your friends, did you? Uh oh . . . Fans of Jon Klassen and Mo Willems's humor will gobble up this quirky ode to the lengths we will go to for our heart's desire. Praise for *Dragons Love Tacos*: New York Times bestseller A New York Times Notable Children's Book of 2012 Rubin and Salmieri are two of the weirdest, funniest guys working in kids' lit today. The team lets its geek flag fly in an obsessive how-to guide for would-be dragon taco party hosts. Why a taco party? As Rubin explains, 'The only things dragons love more than parties or tacos, is taco parties.' If

further proof is required, Salmieri—whose poker-faced watercolor, gouache, and color pencil drawings set a benchmark for oddball observational humor—shows one odd, scaly creature with a carryout bag from 'Taco Cave' and another beaming with anticipation as it eagerly circles the date for a taco party on its taco-themed calendar. But beware: even if all the tips and rules are followed to the letter (on quantity: 'The best way to judge is to get a boat and fill the boat with tacos'), all will be for naught if spicy salsa makes its way into the taco filling. In fact, the dragons will bring a whole new meaning to 'housewarming.' Off-kilter fun for those who like their picture books (and salsa) zesty and fresh.—Publishers Weekly, starred review *Dragons Love Tacos* is a heaping helping of silly. Little kids will relate to the anti-spicy bias and chuckle over Salmieri's watercolor and gouache cartoon illustrations showing literally boatloads of tacos and all sizes of dragons enjoying their favorite food at pool parties, costume parties and, well, taco parties. —San Francisco Chronicle The perfect book for kids who love dragons and mild tacos. —Kirkus Reviews The watercolor, gouache, and colored pencil cartoon illustrations are the real stars here. Regardless of, or perhaps because of, the absurdity of the story, this tale should be a big hit with anyone with an affinity for dragons. —School Library Journal

I am Jackie Robinson Brad Meltzer, 2023-08-01 We can all be heroes is the message entertainingly told in this New York Times Bestselling picture-book biography series, with this title focusing on groundbreaking baseball player, Jackie Robinson (Cover may vary) Jackie Robinson always loved sports, especially baseball. But he lived at a time before the Civil Rights Movement, when the rules weren't fair to African Americans. Even though Jackie was a great athlete, he wasn't allowed on the best teams just because of the color of his skin. Jackie knew that sports were best when everyone, of every color, played together. He became the first Black player in Major League Baseball, and his bravery changed American history and led the way to equality in all sports in America. This friendly, fun biography series inspired the PBS Kids TV show *Xavier Riddle and the Secret Museum*. One great role model at a time, these books encourage kids to dream big. Included in each book are: • A timeline of key events in the hero's history • Photos that bring the story more fully to life • Comic-book-style illustrations that are irresistibly adorable • Childhood moments that influenced the hero • Facts that make great conversation-starters • A virtue this person embodies: Jackie Robinson's bravery led him to make his mark in baseball history. You'll want to collect each book in this dynamic, informative series!

Otis is a special tractor. He loves his farm and farmer. He particularly loves the little calf in the next stall, whom he purrs to sleep with his soft motor. The two become great friends, romping in the fields, leaping bales of hay, and playing ring-around-the-rosy by Mud Pond. But when the big yellow tractor comes to the farm and replaces Otis, he is cast away behind the barn. . . until the little calf gets stuck in Mud Pond. The Federalist Papers Alexander Hamilton,John Jay,James Madison,2018-08-20 Classic Books Library presents this brand

new edition of “The Federalist Papers”, a collection of separate essays and articles compiled in 1788 by Alexander Hamilton. Following the United States Declaration of Independence in 1776, the governing doctrines and policies of the States lacked cohesion. “The Federalist”, as it was previously known, was constructed by American statesman Alexander Hamilton, and was intended to catalyse the ratification of the United States Constitution. Hamilton recruited fellow statesmen James Madison Jr., and John Jay to write papers for the compendium, and the three are known as some of the Founding Fathers of the United States. Alexander Hamilton (c. 1755–1804) was an American lawyer, journalist and highly influential government official. He also served as a Senior Officer in the Army between 1799-1800 and founded the Federalist Party, the system that governed the nation’s finances. His contributions to the Constitution and leadership made a significant and lasting impact on the early development of the nation of the United States.
