**The Freedom to Read** American Library Association, 1953

My Ideal Bookshelf Thessaly La Force, 2012-11-13 The books that we choose to keep -- let alone read -- can say a lot about who we are and how we see ourselves. In My Ideal Bookshelf, dozens of leading cultural figures share the books that matter to them most; books that define their dreams and ambitions and in many cases helped them find their way in the world. Contributors include Malcolm Gladwell, Thomas Keller, Michael Chabon, Alice Waters, James Patterson, Maira Kalman, Judd Apatow, Chuck Klosterman, Miranda July, Alex Ross, Nancy Pearl, David Chang, Patti Smith, Jennifer Egan, and Dave Eggers, among many others. With colorful and endearingly hand-rendered images of book spines by Jane Mount, and first-person commentary from all the contributors, this is a perfect gift for avid readers, writers, and all who have known the influence of a great book.

Banned Books Robert P. Doyle, 2010 From Back Cover of Book: Banned books: Challenging Our Freedom To Read provides a framework for understanding censorship and the protections guaranteed to us through the first amendment. Interpretations of the uniquely American notion of freedom of expression - and our freedom to read what we choose - are supplemented by straightforward, easily accessible information that will inspire further exploration. This updated and expanded 2010 edition features a new, streamlined design that will make this an essential reference you'll return to time and again. Contents include: Insight - the challenge of censorship; Interpretation - the first amendment, the freedom of expression, and the freedom to read; Information - first amendment timeline, court cases, glossary, bibliography and quotations; Ideas - celebration guide for banned books week and communication guide for librarians; Incidents - top ten challenged books of 2009 and challenged or banned books - more than 1800 titles listed alphabetically by author plus title, topical, and geographical indices.

*Silenced in the Library* Zeke Jarvis, 2017-08-18 Censorship has been an ongoing phenomenon even in the land of the free. This examination of banned books across U.S. history examines the motivations and effects of censorship, shows us how our view of right and wrong has evolved over the years, and helps readers to understand the tremendous importance of books and films in our society. Books ranging from classics such as *A Farewell to Arms*, *Lord of the Rings*, *The Catcher in the Rye*, and *The Color Purple* as well as best-selling books such as *Are You There, God? It's Me Margaret*, titles in the *Harry Potter*

series, and various books by bestselling novelist Stephen King have all been on the banned books list. What was the content that got them banned, who wanted them banned, and did the ban have the desired effect of minimizing the number of people who read the title-or did it have the opposite effect, inadvertently creating an even larger readership for the book? *Silenced in the Library: Banned Books in America* provides a comprehensive examination of the challenges to major books as well as the final results of these selections being deemed unfit for public consumption. Included in its discussion are explanations of the true nature of the objections along with the motives of the authors, publishers, and major proponents of the books. Content is organized based on why the books were banned, such as sexual content, drug use, or religious objections. This approach helps readers to see trends in how people have approached the challenge of evaluating what is proper and shows how our societal consensus of what is acceptable has evolved over the years. Readers will come away with a fuller appreciation of the immense power of words on a page-or an eReader device-to inflame and outrage, influence opinion, incite thought, and even change the course of history.

*Books Under Fire* Pat R. Scales, Office for Intellectual Freedom, 2021-04-22 Featuring a timely and diverse cross-section of frequently targeted titles, complete with many quotes and comments from authors whose works have been challenged, this book will be an important tool for library managers, children's and YA librarians, and teachers.

*Beyond Banned Books* Kristin Pekoll, 2019-05-01 This resource from Pekoll, Assistant Director of the American Library Association's Office for Intellectual Freedom (OIF), uses specific case studies to offer practical guidance on safeguarding

intellectual freedom related to library displays, programming, and other librarian-created content.

**Book Banning in 21st-Century America** Emily J. M. Knox, 2015-01-16 Requests for the removal, relocation, and restriction of books—also known as challenges—occur with some frequency in the United States. *Book Banning in 21st-Century American Libraries*, based on thirteen contemporary book challenge cases in schools and public libraries across the United States argues that understanding contemporary reading practices, especially interpretive strategies, is vital to understanding why people attempt to censor books in schools and public libraries. Previous research on censorship tends to focus on legal frameworks centered on Supreme Court cases, historical case studies, and bibliographies of texts that are targeted for removal or relocation and is often concerned with how censorship occurs. The current project, on the other hand, is focused on the why of censorship and posits that many censorship behaviors and practices, such as challenging books, are intimately tied to the how one understands the practice of reading and its effects on character development and behavior. It discusses reading as a social practice that has changed over time and encompasses different physical modalities and interpretive strategies. In order to understand why people challenge books, it presents a model of how the practice of reading is understood by challengers including “what it means” to read a text, and especially how one constructs the idea of “appropriate” reading materials. The book is based on three different kinds sources. The first consists of documents including requests for reconsideration and letters, obtained via Freedom of Information Act requests to governing bodies, produced in the course of challenge cases. Recordings of book challenge public hearings constitute the second source of data. Finally, the third source of data is interviews with challengers themselves. The book offers a model of the reading practices of challengers. It demonstrates that challengers are particularly influenced by what might be called a literal “common sense” orientation to text wherein there is little room for polysemic interpretation (multiple meanings for text). That is, the meaning of texts is always clear and there is only one avenue for interpretation. This common sense interpretive strategy is coupled with what Cathy Davidson calls “undisciplined imagination” wherein the reader is unable to maintain distance between the events in a text and his or her own response. These reading practices broaden our understanding of why people attempt to censor books in public institutions.

*A White Woman in Central Africa* Helen Caddick, 1900

*The 1619 Project* Nikole Hannah-Jones, *The New York Times Magazine*, 2024-06-04 #1 NEW YORK TIMES BESTSELLER • NAACP IMAGE AWARD WINNER • A dramatic expansion of a groundbreaking work of journalism, *The 1619 Project: A New Origin Story* offers a profoundly revealing vision of the American past and present. "[A] groundbreaking compendium . . . bracing and urgent . . . This collection is an extraordinary update to an ongoing project of vital truth-telling."—*Esquire* NOW AN EMMY-NOMINATED HULU ORIGINAL DOCUSERIES • FINALIST FOR THE KIRKUS PRIZE • ONE OF THE BEST BOOKS OF THE YEAR: *The Washington Post*, NPR, *Esquire*, *Marie Claire*, *Electric Lit*, *Ms. magazine*, *Kirkus Reviews*, *Booklist* In late August 1619, a ship arrived in the British colony of Virginia bearing a cargo of twenty to thirty enslaved people from Africa. Their arrival led to the barbaric and unprecedented system of American chattel slavery that would last for the next 250 years. This is sometimes referred to as the country's original sin, but it is more than that: It is the source of so much that still defines the United States. *The New York Times Magazine's* award-winning 1619 Project issue reframed our understanding of American history by placing slavery and its continuing legacy at the center of our national narrative. This book substantially expands on that work, weaving together eighteen essays that explore the legacy of slavery in present-day America with thirty-six poems and works of fiction that illuminate key moments of oppression, struggle, and resistance. The essays show how the inheritance of 1619 reaches into every part of contemporary American society, from politics, music, diet, traffic, and citizenship to capitalism, religion, and our democracy itself. This book that speaks directly to our current moment, contextualizing the systems of race and caste within which we operate today. It reveals long-glossed-over truths around our nation's founding and construction—and the way that the legacy of slavery did not end with emancipation, but continues to shape contemporary American life. *Out of Darkness* Ashley Hope Pérez,2015-09-01 A 2016 Michael L. Printz Honoree This is East Texas, and there's lines. Lines you cross, lines you don't cross. That clear? New London, Texas. 1937. Naomi Vargas and Wash Fuller know about the lines in East Texas as well as anyone. They know the signs that mark them. They know the people who enforce them. But sometimes the attraction between two people is so powerful it breaks through even the most entrenched color lines. And the consequences can be explosive. Ashley Hope Pérez takes the facts of the 1937 New London school explosion—the worst school disaster in American history—as a backdrop for a riveting novel about segregation, love, family, and the forces that destroy people.

*Melissa (formerly published as GEORGE)* Alex Gino,2022-04-19 BE WHO YOU ARE. When people look at Melissa, they think they see a boy named George. But she knows she's not a boy. She knows she's a girl. Melissa thinks she'll have to keep this a secret forever. Then her teacher announces that their class play is going to be Charlotte's Web. Melissa really, really, REALLY wants to play Charlotte. But the teacher says she can't even try out for the part... because she's a boy. With the help of her best friend, Kelly, Melissa comes up with a plan. Not just so she can be Charlotte -- but so everyone can know who she is, once and for all.

*A Bad Boy Can Be Good for a Girl* Tanya Lee Stone,2007-12-18 Josie, Nicolette, and Aviva all get mixed up with a senior boy—a cool, slick, sexy boy who can talk them into doing almost anything he wants. In a blur of high school hormones and personal doubt, each girl struggles with how much to give up and what ultimately to keep for herself. How do girls handle themselves? How much can a boy get away with? And in the end, who comes out on top? A bad boy may always be a bad boy. But this bad boy is about to meet three girls who won't back down.

**The 48 Laws of Power** Robert Greene,2023-10-31 Amoral, cunning, ruthless, and instructive, this multi-million-copy New York Times bestseller is the definitive manual for anyone interested in gaining, observing, or defending against ultimate control - from the author of *The Laws of Human Nature*. In the book that *People* magazine proclaimed “beguiling” and “fascinating,” Robert Greene and Joost Elffers have distilled three thousand years of the history of power into 48 essential laws by drawing from the philosophies of Machiavelli, Sun Tzu, and Carl Von Clausewitz and also from the lives of figures ranging from Henry Kissinger to P.T. Barnum. Some laws teach the need for prudence (“Law 1: Never Outshine the Master”), others teach the value of confidence (“Law 28: Enter Action with Boldness”), and many recommend absolute self-

preservation (“Law 15: Crush Your Enemy Totally”). Every law, though, has one thing in common: an interest in total domination. In a bold and arresting two-color package, *The 48 Laws of Power* is ideal whether your aim is conquest, self-defense, or simply to understand the rules of the game.

Teaching Banned Books Pat R. Scales, 2020 The book expands *Teaching Banned Books* to include more titles and more genres (such as graphic novels and nonfiction)--

**Fahrenheit 451** Ray Bradbury, 1968 A fireman in charge of burning books meets a revolutionary school teacher who dares to read. Depicts a future world in which all printed reading material is burned.

**Class Act** Jerry Craft, 2020-10-06 New York Times bestselling author Jerry Craft returns with a companion book to *New Kid*, winner of the 2020 Newbery Medal, the Coretta Scott King Author Award, and the Kirkus Prize. This time, it’s Jordan’s friend Drew who takes center stage in another laugh-out-loud funny, powerful, and important story about being one of the few kids of color in a prestigious private school. Eighth grader Drew Ellis is no stranger to the saying “You have to work twice as hard to be just as good.” His grandmother has reminded him his entire life. But what if he works ten times as hard and still isn’t afforded the same opportunities that his privileged classmates at the Riverdale Academy Day School take for granted? To make matters worse, Drew begins to feel as if his good friend Liam might be one of those privileged kids. He wants to pretend like everything is fine, but it’s hard not to withdraw, and even their mutual friend Jordan doesn’t know how to keep the group together. As the pressures mount, will Drew find a way to bridge the divide so he and his friends can truly accept each other? And most important, will he finally be able to accept himself? *New Kid*, the first graphic novel to win the Newbery Medal, is now joined by Jerry Craft’s powerful *Class Act*.

*Hell/a Mexican* Kevin Madrigal, Kevin Madrigal Galindo, 2022-02-05 *HELL/A MEXICAN* is an appreciation of the tragicomedy that is existing on American soil with foreign roots. These stories shed light on the boundless experience of living and learning through your identity. This collection, much like us, reaches for hope; Sometimes we find it, sometimes we don’t. Poetry.
