My Book of Centuries Christie Groff, Sonya Shafer, 2014-04

Creating a Classroom Newspaper Kathleen Buss, Leslie McClain-Ruelle, 2000 Based on the premise that students can learn a great deal by reading and writing a newspaper, this book was created by preservice instructors to teach upper elementary students (grades 3-5) newspaper concepts, journalism, and how to write newspaper articles. It shows how to use newspaper concepts to help students integrate knowledge from multiple disciplines as they write about current events and the lives of others in an unbiased and accurate way. Based on the Newspaper in Education program--a cooperative venture between newspaper publishers and schools that offers newspaper activities to teach reading and content skills and strategies--the book takes the concept further and incorporates a focus on writing. The result of these lessons is an actual newspaper that students can publish for their classroom or school. Following an Introduction, the book's seven chapters are as follows: (1) Background Information for Teachers; (2) Teaching Journalism Basics; (3) Interviewing, Writing Quotes, and Using Figurative Language; (4) Elements and Organizational Structure of News Stories; (5) Writing Different Types of Newspaper Stories; (6) The Final Steps: Revision, Editing, Layout, and Publication; and (7) Student Evaluation of Concept Units. Contains 12 references. Appendixes provide student worksheets, two sample articles, a layout and design sheet, a glossary of newspaper terms, a stylebook, and a listing of additional resources. (SR)

Ditch That Textbook Matt Miller, 2015-04-13 Textbooks are symbols of centuries-old education. They're often outdated as soon as they hit students' desks. Fair Play Eve Rodsky,2019-10-01 A REESE'S BOOK CLUB PICK A hands-on, real talk guide for navigating the hot-button issues that so many families struggle with.--Reese Witherspoon Tired, stressed, and in need of more help from your partner? Imagine running your household (and life!) in a new way... It started with the Sh*t I Do List. Tired of being the shefault parent responsible for all aspects of her busy household, Eve Rodsky counted up all the unpaid, invisible work she was doing for her family -- and then sent that list to her husband, asking for things to change. His response was... underwhelming. Rodsky realized that simply identifying the issue of unequal labor on the home front wasn't enough: She needed a solution to this universal problem. Her sanity, identity, career, and marriage depended on it. The result is *Fair Play*: a time- and anxiety-saving system that offers couples a completely new way to divvy up chores and responsibilities. Rodsky interviewed more than five hundred men and women from all walks of life to figure out what the invisible work in a family actually entails and how to get it all done efficiently. With four easy-to-follow rules, 100 household tasks, and a series of conversation starters for you and your partner, *Fair Play* helps you prioritize what's important to your family and who should take the lead on every chore from laundry to homework to dinner. Winning this game means rebalancing your home life, reigniting your relationship with your significant other, and reclaiming your Unicorn Space -- as in, the time to develop the skills and passions that keep you interested and interesting. Stop drowning in to-dos and lose some of that invisible workload that's pulling you down. Are you ready to try *Fair Play*? Let's deal you in.

Newspaper Layout Design Howard B. Taylor,1968

Romancing the Beat Gwen Hayes,2016 What makes a romance novel a romance? How do you write a kissing book?Writing a well-structured romance isn't the same as writing any other genre-something the popular novel and

screenwriting guides don't address. The romance arc is made up of its own story beats, and the external plot and theme need to be braided to the romance arc-not the other way around. Told in conversational (and often irreverent) prose, *Romancing the Beat* can be read like you are sitting down to coffee with romance editor and author Gwen Hayes while she explains story structure. The way she does with her clients. Some of whom are regular inhabitants of the New York Times and USA Today bestseller lists. *Romancing the Beat* is a recipe, not a rigid system. The beats don't care if you plot or outline before you write, or if you pants your way through the drafts and do a beat check when you're revising. Pantsers and plotters are both welcome. So sit down, grab a cuppa, and let's talk about kissing books.
