The Federalist Papers Alexander Hamilton,John Jay,James Madison,2018-08-20 Classic Books Library presents this brand new edition of “The Federalist Papers”, a collection of separate essays and articles compiled in 1788 by Alexander Hamilton. Following the United States Declaration of Independence in 1776, the governing doctrines and policies of the States lacked cohesion. “The Federalist”, as it was previously known, was constructed by American statesman Alexander Hamilton, and was intended to catalyse the ratification of the United States Constitution. Hamilton recruited fellow statesmen James Madison Jr., and John Jay to write papers for the compendium, and the three are known as some of the Founding Fathers of the United States. Alexander Hamilton (c. 1755–1804) was an American lawyer, journalist and highly influential government official. He also served as a Senior Officer in the Army between 1799-1800 and founded the Federalist Party, the system that governed the nation’s finances. His contributions to the Constitution and leadership made a significant and lasting impact on the early development of the nation of the United States.

What If You Had Animal Teeth? Sandra Markle,2017-01-31 If you could have any animal's front teeth, whose would you choose? What If You Had Animal Teeth!? takes children on a fun, informative, and imaginative journey as they explore what it would be like if their own front teeth were replaced by those of a different animal. Featuring a dozen animals (beaver, great white shark, narwhal, elephant, rattlesnake, naked mole rat, hippopotamus, crocodile, and more), this book explores how different teeth are especially adapted for an animal's survival. At the end of the book, children will discover why their own

teeth are just right for them. And they'll also get a friendly reminder to take good care of their teeth, because they're the only teeth they'll ever have. Each spread features a photograph of the animal using its specialized teeth on the left and a humorous illustrated image of a child using that animal's teeth on the right.
