*Flipped* Wendelin Van Draanen,2003-05-13 A classic he-said-she-said romantic comedy! This updated anniversary edition

offers story-behind-the-story revelations from author Wendelin Van Draanen. The first time she saw him, she flipped. The first time he saw her, he ran. That was the second grade, but not much has changed by the seventh. Juli says: "My Bryce. Still walking around with my first kiss." He says: "It's been six years of strategic avoidance and social discomfort." But in the eighth grade everything gets turned upside down: just as Bryce is thinking that there's maybe more to Juli than meets the eye, she's thinking that he's not quite all he seemed. This is a classic romantic comedy of errors told in alternating chapters by two fresh, funny voices. The updated anniversary edition contains 32 pages of extra backmatter: essays from Wendelin Van Draanen on her sources of inspiration, on the making of the movie of *Flipped*, on why she'll never write a sequel, and a selection of the amazing fan mail she's received. Awards and accolades for *Flipped*: SLJ Top 100 Children's Novels of all time IRA-CBC Children's Choice IRA Teacher's Choice Honor winner, Judy Lopez Memorial Award/WNBA Winner of the California Young Reader Medal "We flipped over this fantastic book, its gutsy girl Juli and its wise, wonderful ending." — The Chicago Tribune "Van Draanen has another winner in this eighth-grade 'he-said, she-said' romance. A fast, funny, egg-celent winner." — SLJ, Starred review "With a charismatic leading lady kids will flip over, a compelling dynamic between the two narrators and a resonant ending, this novel is a great deal larger than the sum of its parts." —Publishers Weekly, Starred review

**More Than a Hobby** David Green,2010-07-26 The retail industry has undergone enormous changes during the last thirty years. But there is one retailer that not only has remained consistent in the fluctuating?even tenuous?market, but also has grown in the process. *More Than a Hobby* takes you inside the story of David Green, the man who built the phenomenal success of Hobby Lobby. Green went beyond surviving in a competitive retail market to thriving, ultimately expanding his \$600 start-up company into a \$1.3 billion per-year enterprise. Green's incredible accomplishments were based not on business-school theory but on his grassroots experiences as a store manager and his creative application of cutting edge ideas, including: Allow managers to spend no more than thirty minutes per day on paperwork Instead of paying a middleman, assemble as much of the product as possible in-house Give buyers the freedom to purchase without restraint—but within the realm of common sense Keep God and family first *More Than a Hobby* is a practical field manual, filled with revolutionary ideas for all those who dream of success in the world of retail business.
