Coupon Mom: Couponing Beginners Bootcamp ,

Clever Couponing Vanessa Johnson,2014-09-11 Are you a mother who is looking for a way to reduce your family's expenses while still being able to get everything that you need? Do you want to find an easy way to do this? Or are you a problematic shopper who wants to know how to cope with your dreadful spending habits? The answers to these questions and more, can be found in *Clever Couponing*, a book written by the internationally acclaimed author, expert budgeter, and mother of two, Vanessa Johnson. If you think you're spending too much money on groceries, you are not alone! A lot of shoppers, especially moms, have gone through the same problems too. Wouldn't it be nice to learn how you can save more money while still being able to buy everything that your family needs? *Clever Couponing* is an all-in-one book that showcases many budgeting strategies, including the use of coupons, that can help the readers establish huge savings. In Johnson's book, you will be able to:

- Learn the basics on how to start couponing
- Learn the 4 types of couponers
- Know the 10 commandments of couponing
- Know the best ways to overcome the couponing problems that you may encounter
- Know the 4 key factors that contribute to effective grocery shopping for your family
- Learn the step-by-step process of setting up your family's budget
- Know how to maintain a budget plan to ultimately establish great savings

That's not all! The book covers more topics, example scenarios and sheets, and many more! It is not a book that pushes its readers to instantly delve into couponing rather, it is a book that educates the readers about the correlation between couponing, budgeting and saving, and how these can help families live a healthier and more comfortable life. This book is perfect for the price conscious mothers who are curious of what benefits couponing and budgeting can bring to their lives. If you want to be a smart mom and an efficient couponer, this book is exactly what you need!

The Recovering Spender Lauren Greutman, 2016-09-13 After learning how to curb her spending habits, Lauren Greutman shares her hard-earned knowledge on how to get out of debt and live without the financial pressures that many people face today. Millions of Americans today are near financial disaster—spending more money than they are bringing in, and losing control of their money. Lauren Greutman knows how that feels. For years, she struggled with too many bills to pay and not enough money to pay them. When Lauren found herself drowning in debt, she finally faced her extreme spending habits and took action. In *The Recovering Splendor*, Lauren shares her story and offers advice that is based on the many strategies she developed to change her own life and bring her family budget back to black. Lauren shows her readers, step-by-step, how to get rid of bad money habits, pay down debt, and stay within a budget. Some of the action chapters in the book are: Take an Inventory of Your Spending Declutter Your Finances Do an Expense Audit Curb Your Spending and Define Your Values Lauren exchanged the overrated, stressed-out American dream for a new one—a happier life filled with family, friends, and financial freedom—and now you can do the same!

Coupon Crazy Mary Potter Kenyon,2013-06-18 A fascinating history of this marketing tactic, and why some shoppers take it to extremes—from a longtime expert couponer. **Coupon Crazy** examines the phenomenon of avid coupon use and the socio-cultural and socioeconomic factors that construct it. By delving into the history of couponing, refunding, the science of shopping, and the dark underbelly of a coupon world the average American doesn't even know about, Mary Potter Kenyon manages to both fascinate and educate. Readers will meet today's "Coupon Queens" (and Kings) and learn about an era when trash really was cash. Not just an observer of this ethnographic research, Mary lived it for over thirty years. "My favorite aspect of the entire book was the candid tone Kenyon takes in sharing her story and others. As someone that both uses coupons and teaches couponing practices, I found the book triggering self-reflection at many points: Do I purchase products just because they are on sale? Do I devalue products I've gotten for free? Do I allow coupons to inform my purchases or the other way around? If you are a couponer, it's quite possible you'll find yourself reflecting on your own shopping habits as you read this book, too." —Angela Russell, The Coupon Project
