Imagine running your household (and life!) in a new way... It started with the Sh*t I Do List. Tired of being the “shefault” parent responsible for all aspects of her busy household, Eve Rodsky counted up all the unpaid, invisible work she was doing for her family—and then sent that list to her husband, asking for things to change. His response was...underwhelming. Rodsky realized that simply identifying the issue of unequal labor on the home front wasn't enough: She needed a solution to this universal problem. Her sanity, identity, career, and marriage depended on it. The result is Fair Play: a time- and anxiety-saving system that offers couples a completely new way to divvy up domestic responsibilities. Rodsky interviewed more than five hundred men and women from all walks of life to figure out what the invisible work in a family actually entails and how to get it all done efficiently. With 4 easy-to-follow rules, 100 household tasks, and a series of conversation starters for you and your partner, Fair Play helps you prioritize what's important to your family and who should take the lead on every chore, from laundry to homework to dinner. “Winning” this game means rebalancing your home life, reigniting your relationship with your significant other, and reclaiming your Unicorn Space—the time to develop the skills and passions that keep you interested and interesting. Stop drowning in to-dos and lose some of that invisible workload that's pulling you down. Are you ready to try Fair Play? Let's deal you in.

How to Get Away with Contracts - Episode 1 Dana Blackmore, B.S., J.D., LL.M., 2021-07-19 We all encounter situations in life in business that require written contracts or agreements. Unfortunately, too many people sign them without really understanding what they mean; and many times people use contracts that do not solve all of the business issues (problems) that result from the goal of the contract. This is because they do not understand how to determine what those problems may be. On a basic level, we cannot solve a problem if we do not know what the problem(s) is/are. In this Episode, we explore the case of The Home Addition that Never Adds Up, and I show you how the Rileys could have negotiated a better deal and reduced their risk of being railroaded by a realtor. By applying contract writing skills learned in my book entitled: Contract Writing for Dummies, we will learn how to draft a real estate home purchase contract that adds value to the deal! Also included: Sample Real Estate Contracts and documents. Now, doesn't this all sound very exciting? Well, let's get started!
