Letters to Santa Claus The Elves,2015-10-05 A “poignant” collection of real letters sent to Santa Claus—a town in Indiana—from the 1930s to the twenty-first century, from both children and adults (The New York Times). For countless Christmases, children—and sometimes adults—have stuffed their dreams, wishes, and promises into envelopes. Over many decades, millions of these letters have poured into Santa Claus, Indiana. Arriving from all corners of the globe, the letters ask for toys, family reunions, snow, and help for the needy—sometimes the needy being the writers themselves. They are candid, heartfelt, and often blunt. Many children wonder how Santa gets into their chimneyless homes. One child reminds Santa that she has not hit her brothers over 1,350 times that year, and another respectfully requests two million dollars in “cold cash.” One child hopes to make his life better with a time machine, an adult woman asks for a man, and one miscreant actually threatens Santa's reindeer! Containing more than 250 actual letters and envelopes from the naughty and nice reaching back to the 1930s, this moving book will touch hearts and bring back memories of a time in our lives when the man with a white beard and a red suit held out the hope that our wishes might come true. “Often very affecting . . . also offers an unusual window into American history.” —Library Journal “The letters . . . are alternately silly and somber, hilarious and heartfelt.”

With so many Naughty Nice Reports coming in each day, there's too much to do and he needs more help! The Carol of the Coin is a book that addresses the two sides to Christmas: Making wishes for ourselves versus being the wish for someone else. In a desperate attempt to help Santa finally get some more sleep over the holidays, Mrs. Claus and Herb - the head elf - hatch a plan; they repurpose old magic sleigh bells from Christmases past by melting them down and turning them into magical coins. If each boy and girl who received a Christmas Coin spun theirs every day - taking turns making wishes and being the wish - could they make all the difference?
