*Unwrapping the Names of Jesus* Asheritah Ciuciu, 2017-10-03 How to focus on Christ during Advent Most Christians agree that Christmas is all about Jesus, yet most of us spend little time preparing our hearts to celebrate Him. Why is this? Partly because we don't know how. In *Unwrapping the Names of Jesus*, Asheritah Ciuciu leads readers through the four weeks of Advent (Hope, Preparation, Joy, and Love). Each week: Begins with an interactive family devotional that equips readers to celebrate Advent together Offers five daily reflections that focus on that week's name of Jesus Includes suggestions for fun-filled family activities or service projects This devotional can be used by readers in their own personal worship times or as a tool to engage in family worship during the busy holiday season. Either way, participants will gain a greater sense of awe and wonder at who Jesus is. By focusing on the person and character of Jesus throughout the Advent season, readers will prepare their hearts so that when they admire the live nativity, sit in the candlelight service, or wake up on Christian morning, they can join the faithful who sing from the bottom of their hearts, O come, let us adore Him, Christ the Lord!

*God Is With Us - [Large Print]* Robin Wilson, 2019-09-03 God Is With Us, originally published in 2016, invites you to explore your longing for God's presence through a study of the lectionary Bible readings for Advent and Christmas. The hope of Advent is the fulfillment of that longing; we await the coming of Jesus as Immanuel, God With Us. Each week's Scriptures call us to praise God as we actively await the coming of Christ and prepare our hearts and lives for his arrival. Through the

readings, we hear the invitation to claim and celebrate the new hope we have in Jesus Christ. The season of Advent offers opportunities to prepare for God's coming in human form in the infant Jesus and for the fulfillment of God's kingdom with the second coming of Christ. Hope is the focus of Advent worship, study, and prayer. We will discover the light that began in the manger, which continues as we look forward with hope to Christ's return. *God Is With Us* is based on the Revised Common Lectionary Scriptures for church year A, the first of a three-year cycle of Bible readings. The study includes commentary and reflection on readings from the Old Testament, the Gospels, and the Epistles. It offers the opportunity to explore these Bible readings in a five-session study. It will help participants understand, appreciate, and engage in meaningful and joyous celebrations of Advent and Christmas and to live each day in God's hope through Jesus Christ.

Christ in the Classroom Jared Dees,2018-09-07 If the goal of catechesis is to cultivate an encounter with Christ, why do religious educators spend so much time focused almost exclusively on ideas and not experiences? The reason is that many have never been shown a method that inspires the heart while also instructing the mind. Jared Dees, creator of the popular website The Religion Teacher, shows how applying the steps of lectio divina to teaching can reorient religious education toward encountering the person of Christ rather than merely sharing information about him. In Christ in the Classroom, Catholic author and speaker Jared Dees applies the five steps of lectio divina—reading/learning, meditation, prayer, contemplation, and action—to the ministry of catechesis. He offers teachers and catechists a practical framework for preparing lessons that broaden the focus of teaching from mostly intellectual learning to also encountering Christ in prayer, reflection, and action. Using this method, students and catechists come to know intimately the person of Christ at the same time that they are learning the tenets and traditions of the Church. Dees shares stories of success and failure from his own teaching experience and he offers dozens of field-tested strategies, tactics, and teaching methods to effectively integrate the steps of lectio divina into the classroom or other catechetical setting. Outfitted with these tools, both experienced and new religious educators will feel confident in their ability to teach effectively and lead their students to a life-changing encounter with Jesus.
