Fair Play Eve Rodsky,2021-01-05 AN INSTANT NEW YORK TIMES BESTSELLER • A REESE'S BOOK CLUB PICK Tired, stressed, and in need of more help from your partner? Imagine running your household (and life!) in a new way... It started with the Sh*t I Do List. Tired of being the “shefault” parent responsible for all aspects of her busy household, Eve Rodsky counted up all the unpaid, invisible work she was doing for her family—and then sent that list to her husband, asking for things to change. His response was...underwhelming. Rodsky realized that simply identifying the issue of unequal labor on the home front wasn't enough: She needed a solution to this universal problem. Her sanity, identity, career, and marriage depended on it. The result is Fair Play: a time- and anxiety-saving system that offers couples a completely new way to divvy up domestic responsibilities. Rodsky interviewed more than five hundred men and women from all walks of life to figure out what the invisible work in a family actually entails and how to get it all done efficiently. With 4 easy-to-follow rules, 100 household tasks, and a series of conversation starters for you and your partner, Fair Play helps you prioritize what's

important to your family and who should take the lead on every chore, from laundry to homework to dinner. “Winning” this game means rebalancing your home life, reigniting your relationship with your significant other, and reclaiming your Unicorn Space—the time to develop the skills and passions that keep you interested and interesting. Stop drowning in to-dos and lose some of that invisible workload that's pulling you down. Are you ready to try Fair Play? Let's deal you in.

Balch,2020-08-25 The only current authorized edition of the classic work on parliamentary procedure--now in a new updated edition Robert's Rules of Order is the recognized guide to smooth, orderly, and fairly conducted meetings. New and enhanced features of this edition include: Section-based paragraph numbering to facilitate cross-references and e-book compatibility Expanded appendix of charts, tables, and lists Helpful summary explanations about postponing a motion, reconsidering a vote, making and enforcing points of order and appeals, and newly expanded procedures for filling blanks New provisions regarding debate on

nominations, reopening nominations, and completing an election after its scheduled time Dozens more clarifications, additions, and refinements to improve the presentation of existing rules, incorporate new interpretations, and address common inquiries Coinciding with publication of the 12th edition, the authors of this manual have once again published an updated (3rd) edition of Robert's Rules of Order Newly Revised In Brief, a simple and concise introductory guide cross-referenced to it.
