Door to Door Real Estate Prospecting Linda Schneider,2014-04 Want More Real Estate Listings? Then go directly to the source...knock and ask home owners when they plan to move. Sounds simple, right? But of course the devil is in the details: what to say, how to dress, how to get them to talk, how to track results, how to get motivated, how to improve results, what to hand out, how to handle rejection, how to follow up, and most importantly, how to convert leads to appointments. This book was born of experience, not theory. The information comes from both successful and failed door-to-door real estate prospecting efforts. In these pages, you'll see how some agents make over half a million dollars a year from door knocking, and you'll see how others struggle -- giving you a chance to learn from their mistakes. You'll see how new agents got started, and how long it took them to get their first listing. You'll discover what's hard, and how to make it easy. Most importantly, you'll see that it is both possible and realistic to use door knocking as a real estate prospecting approach to generate 10 to 20 listings per year.

*Presidential Campaign Posters* The Library Of Congress, 2012-05-15 An oversized collection of the most striking and thought-providing presidential campaign posters throughout American history—perfect for political junkies and history buffs alike Shepard Fairey’s instant-classic “Hope” poster for Barack Obama elevated the age-old art of the campaign poster back into the forefront of American awareness. Now, dig through the Library of Congress archives and discover the amazing, kickass posters that are every bit as cool 200 years later! See Andrew Jackson go classy, elegant, and minimalist—while his opponent offers a coffin-laden accounting of all the dead bodies Jackson left behind. Watch as Grover Cleveland decks out his poster with a portrait of his new 21-year-old First Lady; Adlai Stevenson tries really hard to convince everyone not to vote for Dwight Eisenhower; and Richard Nixon grins at us like a favorite TV-sitcom dad. Every poster is backed with colorful historical commentary and additional artwork. *Presidential Campaign Posters* is the perfect gift for political junkies of all ages.

*Blindsight* Peter Watts, 2006-10-03 Hugo and Shirley Jackson award-winning Peter Watts stands on the cutting edge of hard SF with his acclaimed novel, *Blindsight* Two months since the stars fell... Two months of silence, while a world held its breath. Now some half-derelict space probe, sparking fitfully past Neptune's orbit, hears a whisper from the edge of the solar system: a faint signal sweeping the cosmos like a lighthouse beam. Whatever's out there isn't talking to us. It's talking to some distant star, perhaps. Or perhaps to something closer, something en route. So who do you send to force introductions with unknown and unknowable alien intellect that doesn't wish to be met? You send a linguist with multiple personalities, her brain surgically partitioned into separate, sentient processing cores. You send a biologist so radically interfaced with machinery that he sees x-rays and tastes ultrasound. You send a pacifist warrior in the faint hope she won't be needed. You send a monster to command them all, an extinct hominid predator once called vampire, recalled from the grave with the voodoo of recombinant genetics and the blood of sociopaths. And you send a synthesist—an informational topologist with half

his mind gone—as an interface between here and there. Pray they can be trusted with the fate of a world. They may be more alien than the thing they've been sent to find. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

*Fair Play* Eve Rodsky, 2021-01-05 AN INSTANT NEW YORK TIMES BESTSELLER • A REESE'S BOOK CLUB PICK Tired, stressed, and in need of more help from your partner? Imagine running your household (and life!) in a new way... It started with the Sh\*t I Do List. Tired of being the “shefault” parent responsible for all aspects of her busy household, Eve Rodsky counted up all the unpaid, invisible work she was doing for her family—and then sent that list to her husband, asking for things to change. His response was...underwhelming. Rodsky realized that simply identifying the issue of unequal labor on the home front wasn't enough: She needed a solution to this universal problem. Her sanity, identity, career, and marriage depended on it. The result is *Fair Play*: a time- and anxiety-saving system that offers couples a completely new way to divvy up domestic responsibilities. Rodsky interviewed more than five hundred men and women from all walks of life to figure out what the invisible work in a family actually entails and how to get it all done efficiently. With 4 easy-to-follow rules, 100 household tasks, and a series of conversation starters for you and your partner, *Fair Play* helps you prioritize what's important to your family and who should take the lead on every chore, from laundry to homework to dinner. “Winning” this game means rebalancing your home life, reigniting your relationship with your significant other, and reclaiming your Unicorn Space—the time to develop the skills and passions that keep you interested and interesting. Stop drowning in to-dos and lose some of that invisible workload that's pulling you down. Are you ready to try *Fair Play*? Let's deal you in.
