The other option is to hire a designer to create an invitation, but this can be very expensive.Instead, the step-by-step guide, *Invitations from the Heart*, takes brides through the process of creating a unique and affordable invitation for themselves. The goal is to take the knowledge they already have about their tastes and dreams and put them on paper. After all, nobody

knows what a bride's vision for their perfect day is better than themselves. Invitations from the Heart will help brides discover their wedding style, research cultural traditions, choose the right paper, typeface and ink color, understand each part of the invitation package from the ceremony card to the thank-you card and decide on the best wording for the text. Plus, the book also includes color photos and instructions for sample cards, money-saving tips, and loads of creative ideas to make that invitation stand out from the crowd.
