Bossed Up Emilie Aries, 2019-05-21 In this candid, refreshing guide for young women to take with us as we run the world, Emilie Aries shows you how to own your power, know your worth, and design your career and life accordingly. Young women today face an uncertain job market, the pressure to ascend at all costs, and a fear of burning out. But the landscape is changing, and women are taking an assertive role in shaping our careers and lives, while investing more and more in our community of support. *Bossed Up* teaches you how to: Break out of the martyrdom mindset, and cultivate your Boss Identity by getting clear on what you really want for your career and life without apology; Hone the self-advocacy skills necessary for success; Understand the differences between being assertive (which is part of being a leader) and being aggressive (which is more like being a bully) - and how that clarity can transform your trajectory; Beat burnout by identifying how the warning signs may be showing up in your life and how to prioritize bringing more rest, purpose, agency, and community to your day-to-day life; Unpack the steps to cultivating something more than just confidence; a boss identity, which will establish your ability to be the boss of your life no matter what comes your way. Drawing from timely research, and with personal stories, and spotlights on a diverse group of women from the *Bossed Up* community, this book will show you how to craft a happy, healthy, and sustainable career path you'll love.

Ask a Manager Alison Green, 2018-05-01 From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called "the Dear Abby of the work world." Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit "reply all" • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager "A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work."—Booklist (starred review) "The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience."—Library Journal (starred review) "I am a huge fan of Alison Green's Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor."—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide* "Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way."—Erin Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together*

The Professor Is In Karen Kelsky, 2015-08-04 The definitive career guide for grad students, adjuncts, post-docs and anyone else eager to get tenure or turn their Ph.D. into their ideal job Each year tens of thousands of students will, after years of hard work and enormous amounts of money, earn their Ph.D. And each year only a small percentage of them will land a job that justifies and rewards their investment. For every comfortably tenured professor or well-paid former academic, there are countless underpaid and overworked adjuncts, and many more who simply give up in frustration. Those who do make it share an important asset that separates them from the pack: they have a plan. They understand exactly what they need to do to set themselves up for success. They know what really moves the needle in academic job searches, how to avoid the all-too-common mistakes that sink so many of their peers, and how to decide when to point their Ph.D. toward other, non-academic options. Karen Kelsky has made it her mission to help readers join the select few who get the most out of their Ph.D. As a former tenured professor and department head who oversaw numerous academic job searches, she knows from experience exactly what gets an academic applicant a job. And as the creator of the popular and widely respected advice site The Professor is In, she has helped countless Ph.D.'s turn themselves into stronger applicants and land their dream careers. Now, for the first time ever, Karen has poured all her best advice into a single handy guide that addresses the most important issues facing any Ph.D., including: -When, where, and what to publish -Writing a foolproof grant application - Cultivating references and crafting the perfect CV -Acing the job talk and campus interview -Avoiding the adjunct trap - Making the leap to nonacademic work, when the time is right The Professor Is In addresses all of these issues, and many more.

Encyclopedia of Job Winning Resumes, Third Edition Myra Fournier, Jeff Spin, 2006-07-15 Encyclopedia of Job-Winning Resumes, Third Edition, is the most helpful and comprehensive resume book you can buy. It includes more than 400 success-proven resume examples that teach you how to personalize your resume according to your own unique career situation. The 17 chapters contain resumes that cover all major industries, span every job level from entry-level to CEO, and are helpfully arranged by both job field and title to make it easy for you to quickly locate the resumes that address your particular field or situation. The first chapter, The Essentials of Writing Your Resume, is as informative as it is brief. It includes expert advice about what information to include in your resume, what to omit, what to emphasize, and what to tone down. For a quick start, it's specifically designed to keep reading to a minimum so you can start sending out your resume as soon as possible. The second chapter, devoted to creating hard-hitting cover letters, includes 40 examples that cover a wide variety of typical career situations. And for those not-so-typical career situations, the next chapter includes 30 resumes that cover difficult circumstances such as frequent job changes, gaps in employment, layoff, lack of experience, weak education, and many more. For students, there's also a chapter containing 40 resumes to help new graduates enter the work force more quickly and easily. There are helpful hints located beneath each resume, showing you the right way to quickly create a job-winning resume that will get attention and win you an interview. The last chapter includes a Recommended Reading list and a Recommended Web Site list. Whatever your age, industry, career, level of experience or education, you'll find the resume template you need! In 1980, Myra Fournier and Jeff Spin founded A Lasting Impression, a highly successful resume writing and career development firm located in the Greater Boston area. In 1990, they jointly developed ResumExpert, a top-rated and best-selling resume-writing software for the Macintosh computer.
