The New Life of Hugo Gardner Louis Begley,2020-03-17 Beloved author Louis Begley returns to the monied halls of the Upper East Side with a sharp new comedy of manners. Divorced after decades of comfortable marriage, retired journalist Hugo Gardner sets out to explore paths not travelled. After four decades of what he believes to be a happy, healthy partnership, Hugo Gardner's world is overturned when he learns that his wife, Valerie, is not only requesting a divorce but has left him for a younger, more vital man. Hugo, an octogenarian political writer and retired journalist for Time, must rethink the way he's lived, and reassess how he'd like to spend his remaining years. Reconsidering past relationships in his mind, with years of distance, Hugo begins to see things in a new light: Valerie, whose youth and ambition eventually came between them; his children, whose support might be more financially than emotionally motivated; and his friends, who, like him are rapidly aging before his very eyes. With an ominous oncologist's report hanging over his head, Hugo decides to get away for a bit, to a conference in Paris. There, a new romance blooms and Hugo finds himself wondering if growing old in Paris might be the perfect antidote to the drama he left behind in New York. Unflinching, witty, and urbane as ever, Louis Begley delivers a spot-on satire of the world of New York's aging elite, and uncovers the unexpected delights a late-in-life change can offer.

How to eat a peach Diana Henry,2018-05-01 When Diana Henry was sixteen she started a menu notebook (an exercise book carefully covered in wrapping paper). Planning a menu is still her favorite part of cooking. Menus can create very different moods; they can take you places, from an afternoon at the seaside in Brittany to a sultry evening eating mezze in Istanbul. They also have to work as a meal that flows and as a group of dishes that the cook can manage without becoming totally stressed. The 24 menus and 100 recipes in this book reflect places Diana loves, and dishes that are real favorites. The menus are introduced with personal essays in Diana's now well-known voice- about places or journeys or particular times and explain the choice of dishes. Each menu is a story in itself, but the recipes can also stand alone. The title of the book refers to how Italians end a meal in the summer, when it's too hot to cook. The host or hostess just puts a bowl of peaches on the table and offers glasses of chilled moscato (or even Marsala). Guests then slice their peach into the glass, before eating the slices

and drinking the wine. That says something very important about eating - simplicity and generosity and sometimes not cooking are what it's about.

The Home Edit Clea Shearer,Joanna Teplin,2019-03-19 NEW YORK TIMES BESTSELLER • From the stars of the Netflix series Get Organized with The Home Edit (with a serious fan club that includes Reese Witherspoon, Gwyneth Paltrow, and Mindy Kaling), here is an accessible, room-by-room guide to establishing new order in your home. “A master class on how to arrange even your most unattractive belongings—and spaces—in an aesthetically pleasing and easy-to-navigate way.”—Glamour (10 Books to Help You Live Your Best Life) Believe this: every single space in your house has the potential to function efficiently and look great. The mishmash of summer and winter clothes in the closet? Yep. Even the dreaded junk drawer? Consider it done. And the best news: it’s not hard to do—in fact, it’s a lot of fun. From the home organizers who made their orderly eye candy the method that everyone swears by comes Joanna and Clea’s signature approach to decluttering. The Home Edit walks you through paring down your belongings in every room, arranging them in a stunning and easy-to-find way (hello, labels!), and maintaining the system so you don’t need another do-over in six months. When you’re done, you’ll not only know exactly where to find things, but you’ll also love the way it looks. A masterclass and look book in one, The Home Edit is filled with bright photographs and detailed tips, from placing plastic dishware in a drawer where little hands can reach to categorizing pantry items by color (there’s nothing like a little ROYGBIV to soothe the soul). Above all, it’s like having your best friends at your side to help you turn the chaos into calm. Includes a link to download and print the labels from a computer (you will need 8-1/2 x 11-inch clear repositionable sticker project paper, such as Avery 4397).
