Feng Shui Mommy Bailey Gaddis,2017-03-14 Impending motherhood serves up a confusing cocktail of heroic strength and terrifying vulnerability. Our culture has seized on the “vulnerability” part of this experience and tends to reinforce a pregnant woman’s insecurities instead of encouraging her to embrace this most natural time and trust her body, her intuition, and her own mind. Feng Shui Mommy takes a different approach, helping the expecting mother build her own unique, epic journey to motherhood. It’s about supporting her while she shores up her mind-body-spirit alignment so she can best handle the cosmic kick in the uterus and juicy kiss on the soul that pregnancy is. Bailey Gaddis guides women through the experience, providing specific suggestions for mind, body, and spirit for each trimester (including the “fourth,” after birth), leading to birth preparation designed for each mother and baby, and culminating in strong mother-child bonding. She includes detailed and practical information about prenatal exercise and nutrition, birth preferences and birthing positions, breath work, breastfeeding, and much more. Her advice allows mothers to welcome delight and curiosity into the journey while taking each phase with purpose and calm — and even a sense of fun. This comprehensive guide makes challenge and change joyful, allowing new life to be as incomparably wonder-filled as it is meant to be.

Imagine running your household (and life!) in a new way... It started with the Sh*t I Do List. Her sanity, identity, career, and marriage depended on it. The result is *Fair Play*: a time- and anxiety-saving system that offers couples a completely new way to divvy up domestic responsibilities. Rodsky interviewed more than five hundred men and women from all walks of life to figure out what the invisible work in a family actually entails and how to get it all done efficiently. With 4 easy-to-follow rules, 100 household tasks, and a series of conversation starters for you and your partner, *Fair Play* helps you prioritize what's important to your family and who should take the lead on every chore, from laundry to homework to dinner. “Winning” this game means rebalancing your home life, reigniting your relationship with your significant other, and reclaiming your Unicorn Space—the time to develop the skills and passions that keep you interested and interesting. Stop drowning in to-dos and lose some of that invisible workload that's pulling you down. Are you ready to try *Fair Play*? Let's deal you in.
