How to Write the Perfect Sales Page (Even If You're Not a Copywriter): The 12-Step Sales Page Template

Nathan Fraser, 2019-03-20 Stop wasting money, sending traffic to a webpage that doesn't convert. Stop paying expensive copywriters who may or may not have any idea what they're doing. Stop staring at a blank screen, frustrated and clueless when it comes to writing your own sales page. In the past, these were your only options. All of that's about to change. My name's Nathan Fraser and I'm a direct response copywriter. That means I write sales letters and advertisements with a focus on persuading people to buy. As more and more business moves to the internet, it means I'm also writing a lot more sales pages. Over the years, I've developed a formula for laying out sales pages that seems to work every time. The 12-Step Sales Page Template is that formula. I've used this template to bring in hundreds of thousands of dollars in sales for myself and my clients. It's worked for selling software, services, products, online courses and anything else you can imagine. I've taken lessons passed on from the masters of copywriting and applied it to how things get sold on the internet; namely, sales pages. This easy-to-follow guide breaks down how a sales page should function, step-by-step. In it, you'll discover: - How to grab attention with your headlines - How to keep people reading with your hooks- Why orange tennis balls are easier to sell than green ones (and how to use that information to make more sales of your own)- 10 different ways to write bullets that people can't ignore- Where the exact perfect place to put your Buy Now button is- A list of deal-killing words you never want to include on your sales page- 3 ways to increase the perceived value of your offer by adding a little bit of scarcity- How to make complete strangers feel comfortable with handing you their money- And a whole lot more This is the guide I wish I'd had when I first started selling things on the internet. If you've got an online business or an online store, this template will help you start pulling in more sales. Read it. Implement it. Start living the life of an online entrepreneur, today.

He moved on to be a newsboy for the Detroit Free Press at nine years old, then a dishwasher, a delivery boy, stove assembler, and home building contractor. He was thrown out of high school, fired from more than forty jobs, and lasted only ninety-seven days in the U.S. Army. Some said that Joe was doomed for failure. He proved them wrong. When Joe started his job as a salesman with a Chevrolet agency in Eastpointe, Michigan, he finally found his niche. Before leaving Chevrolet, Joe sold enough cars to put him in the Guinness Book of World Records as 'the world's greatest salesman' for twelve consecutive years. Here, he shares his winning techniques in this step-by-step book, including how to: o Read a customer like a book and keep that customer for life o Convince people reluctant to buy by selling them the right way o Develop priceless information from a two-minute phone call o Make word-of-mouth your most successful tool Informative, entertaining, and inspiring, HOW TO SELL ANYTHING TO ANYBODY is a timeless classic and an indispensable tool for anyone new to the sales market.

The Art of Selling Portrait Photography, 2017-04-17 Photographers who provide digital files instead of professionally finished prints and albums are not just missing out on income, they are limiting the ways they can serve their clients and giving up control of the quality of the finished product. This has a ripple effects that can negatively affect the long-term viability of the business. As Christie Mumm shows in this book, failing to sell prints and albums—and to do so effectively—results in clients who save a few dollars but are, overall, less satisfied with the quality of the experience they received. Conversely, clients who are treated to a great in-person sales session and then receive high-end custom products almost always become repeat customers and are far more likely to talk to their friends and family about their experience. Armed with the practical, no-nonsense techniques Mumm sets out, photographers will find it easy to develop a product line and begin hosting fun, engaging in-person sales sessions.
