Happy Like Soccer Maribeth Boelts,2020-11-03 Unexpected emotional depth. . . . A thought-provoking read-aloud. — Publishers Weekly (starred review) Nothing makes Sierra happy like soccer. Her shoes have flames as she spins the ball down the spread-out sea of grass. But nothing makes her sad like soccer, too, because the restaurant where her auntie works is busy on game days and she can't take time off to watch Sierra play. With honesty and subtlety, author Maribeth Boelts and illustrator Lauren Castillo portray an endearing character in a moving, uplifting story that touches on the divides children navigate every day — and remind us that everyone needs someone to cheer them on from the sidelines.

Midsummer's Mayhem Rajani LaRocca,2019-06-11 Can Mimi undo the mayhem caused by her baking in this contemporary-fantasy retelling of Shakespeare's A Midsummer Night's Dream? Eleven-year-old Mimi Mackson comes from a big Indian American family: Dad's a renowned food writer, Mom's a successful businesswoman, and her three older siblings all have their own respective accomplishments. It's easy to feel invisible in such an impressive family, but Mimi's dream of proving she's not the least-talented member of her family seems possible when she discovers a baking contest at the new bakery in town. Plus, it'll start her on the path to becoming a celebrity chef like her culinary idol, Puffy Fay. But when Mimi's dad returns from a business trip, he's mysteriously lost his highly honed sense of taste. Without his help, Mimi will never be able to bake something impressive enough to propel her to gastronomic fame. Drawn into the woods behind her house by a strangely familiar song, Mimi meets Vik, a boy who brings her to parts of the forest she's never seen. Who knew there were banyan trees and wild boars in Massachusetts? Together they discover exotic ingredients and bake them into delectable and enchanting treats. But as her dad acts stranger every day, and her siblings' romantic entanglements cause trouble in their town, Mimi begins to wonder whether the ingredients she and Vik found are somehow the cause of it all. She needs to use her skills, deductive and epicurean, to uncover what's happened. In the process, she learns that in life as in baking, not everything is sweet. . . .

Fair Play Eve Rodsky,2021-01-05 AN INSTANT NEW YORK TIMES BESTSELLER • A REESE'S BOOK CLUB PICK Tired, stressed, and in need of more help from your partner? Imagine running your household (and life!) in a new way... It started

with the Sh*t I Do List. Tired of being the “shefault” parent responsible for all aspects of her busy household, Eve Rodsky counted up all the unpaid, invisible work she was doing for her family—and then sent that list to her husband, asking for things to change. His response was...underwhelming. Rodsky realized that simply identifying the issue of unequal labor on the home front wasn't enough: She needed a solution to this universal problem. Her sanity, identity, career, and marriage depended on it. The result is Fair Play: a time- and anxiety-saving system that offers couples a completely new way to divvy up domestic responsibilities. Rodsky interviewed more than five hundred men and women from all walks of life to figure out what the invisible work in a family actually entails and how to get it all done efficiently. With 4 easy-to-follow rules, 100 household tasks, and a series of conversation starters for you and your partner, Fair Play helps you prioritize what's important to your family and who should take the lead on every chore, from laundry to homework to dinner. “Winning” this game means rebalancing your home life, reigniting your relationship with your significant other, and reclaiming your Unicorn Space—the time to develop the skills and passions that keep you interested and interesting. Stop drowning in to-dos and lose some of that invisible workload that's pulling you down. Are you ready to try Fair Play? Let's deal you in.

Kid Food Bettina Elias Siegel, 2019 It has never been so difficult to raise a healthy eater in America. Along with the picky eating and public tantrums that have forever tested the limits of parental patience, today's parents also fend off sophisticated assaults from outside their kitchens: unhealthy food-marketing campaigns aimed at kids; misleading product labels aimed at parents; and a school-food program so starved for cash that it sells name-brand junk food to grade school students. In *Kid Food*, nationally recognized food writer Bettina Elias Siegel (New York Times, *The Lunch Tray*) explores the cultural delusions and industry deceptions that have made it all but impossible to raise a healthy eater in America. Combining first-person reporting with the hard-won understanding of a food advocate and parent, it presents a startling portrayal of the current food landscape for children - and the role of parents in navigating it. Siegel also lifts the curtain on shadowy food industry front-groups, including clever marketing techniques that intentionally confuse parents about a product's nutritional value. (Did you know that made with real fruit may mean a product is less healthy?) What emerges is the industry's divide-and-conquer strategy, one that stokes kids' desire for junk food while breaking down parents' ability to act as responsible gatekeepers. For anyone who frets over what their child is eating, *Kid Food* offers both essential reading and a deeper understanding of the factors at play in their child's food environment. Written in the same engaging and relatable voice that has made *The Lunch Tray* a trusted resource for parents for almost a decade, *Kid Food* offers a well of compassion - and expertise - for those fighting the good fight at home.

The Ugly Truth Jeff Kinney, 2017-02-22 While trying to find a new best friend after feuding with Rowley, middle-school slacker Greg Heffley is warned by older family members that adolescence is a time to act more responsibly and to think seriously about his future.

And Tango Makes Three Justin Richardson, Peter Parnell, 2015-06-02 The heartwarming true story of two penguins who create a nontraditional family. At the penguin house at the Central Park Zoo, two penguins named Roy and Silo were a little bit different from the others. But their desire for a family was the same. And with the help of a kindly zookeeper, Roy and Silo got the chance to welcome a baby penguin of their very own.
