Ditch That Textbook Matt Miller,2015-04-13 Textbooks are symbols of centuries-old education. They're often outdated as soon as they hit students' desks. Acting by the textbook implies compliance and a lack of creativity. It's time to ditch those textbooks--and those textbook assumptions about learning In *Ditch That Textbook*, teacher and blogger Matt Miller encourages educators to throw out meaningless, pedestrian teaching and learning practices. He empowers them to evolve and improve on old, standard, teaching methods. *Ditch That Textbook* is a support system, toolbox, and manifesto to help educators free their teaching and revolutionize their classrooms.

The Plot Dot Derek Murphy,2016-04-13 An Adult Coloring Book for Authors!This book will help you paint powerful visual scenes that stick with readers long after they're finished your book. The techniques described within are simple and easy to use. Think of this as a guided coloring book adventure. YOUR adventure.There are lots of systems and guides to plotting, but if you're like me you have journals filled with notes, scenes and description... it can get overwhelming. I've based this book on traditional three-act story architecture, but it's greatly simplified. Plotters and pantsers can use the guided exercises to gain greater visual clarity and build more meaningful scenes with resonance. This book will help you get organized and unlock hidden potential in your scenes that you didn't know was there, by going beyond words and focusing on

drawing and coloring your scenes until you have a full outline. This book makes an excellent workbook for writing retreats, is simple enough for children to use (it's never too early to write your first novel), and introduces a new, and hopefully useful, way to organize your novel, improve your writing, and create unforgettable scenes that will make a deep and lasting impact.

100 Days of Sunlight Abbie Emmons, 2019-08-07 When 16-year-old poetry blogger Tessa Dickinson is involved in a car accident and loses her eyesight for 100 days, she feels like her whole world has been turned upside-down. Terrified that her vision might never return, Tessa feels like she has nothing left to be happy about. But when her grandparents place an ad in the local newspaper looking for a typist to help Tessa continue writing and blogging, an unlikely answer knocks at their door: Weston Ludovico, a boy her age with bright eyes, an optimistic smile... and no legs. Knowing how angry and afraid Tessa is feeling, Weston thinks he can help her. But he has one condition -- no one can tell Tessa about his disability. And because she can't see him, she treats him with contempt: screaming at him to get out of her house and never come back. But for Weston, it's the most amazing feeling: to be treated like a normal person, not just a sob story. So he comes back. Again and again and again. Tessa spurns Weston's obnoxious optimism, convinced that he has no idea what she's going through. But Weston knows exactly how she feels and reaches into her darkness to show her that there is more than one way to experience the world. As Tessa grows closer to Weston, she finds it harder and harder to imagine life without him -- and Weston can't

imagine life without her. But he still hasn't told her the truth, and when Tessa's sight returns he'll have to make the hardest decision of his life: vanish from Tessa's world...or overcome his fear of being seen. 100 Days of Sunlight is a poignant and heartfelt novel by author Abbie Emmons. If you like sweet contemporary romance and strong family themes then you'll love this touching story of hope, healing, and getting back up when life knocks you down.
