**Thank You** Sandy Gingras, 2010-03-23 A gift of gratitude for those who do one of the hardest jobs in the world and impact our lives in ways that are forever being revealed: educators. As artist and writer Sandy Gingras so aptly points out in the introduction to her book *Thank You*, a life lived well is perhaps the highest form of thanks a person can give to teachers as a way of repaying them for their attention and effort. A simple thank-you is also nice. *Thank You* is Gingras's own delightful way of conveying this sentiment. This charming keepsake book features her soft, sweet watercolor artwork and thoughtful original text celebrating teachers and all they do for us. Always striking the right tone of gratitude without being overly sentimental, *Thank You* is a wonderful way to show appreciation to teachers for their enduring gifts to us both great and small.

**Thank You, Teacher** Michael D. Eisner, Hyperion Books, 2000 Deeply felt testimonials from children and their parents reveal the talents of the remarkable teachers recommended for Disney's American Teacher Awards.

*A Letter to My Teacher* Deborah Hopkinson,2017-04-04 This funny, touching picture book celebrates the difference a good teacher can make. Written as a thank-you note to a special teacher from the student who never forgot her, this moving story makes a great classroom read-aloud, and a perfect back-to-school gift for students and teachers! Dear Teacher, Whenever I had something to tell you, I tugged on your shirt and whispered in your ear. This time I'm writing a letter. So begins this heartfelt picture book about a girl who prefers running and jumping to listening and learning—and the teacher who gently inspires her. From stomping through creeks on a field trip to pretending to choke when called upon to read aloud, this book's young heroine would be a challenge to any teacher. But this teacher isn't just any teacher. By listening carefully and knowing just the right thing to say, she quickly learns that the girl's unruly behavior is due to her struggles with reading. And at the very end, we learn what this former student is now: a teacher herself. From award winning author Deborah Hopkinson and acclaimed illustrator Nancy Carpenter, this picture book is made to be treasured by both those who teach and those who learn.
