**Making Your Website Work** Gill Andrews, 2019-11-08 Take a shortcut to making your website work Want to learn how to drive more business through your website without taking an expensive course or reading a pile of books? Making Your Website Work helps you understand what makes a great website through practical tips you can apply to your website and get new clients and sales today. It doesn't teach you all the copywriting formulas, make you learn design rules by heart or generally talk a lot about things in theory. Instead, it describes real website problems that freelancers, digital agencies, ecommerce shops and SaaS companies face - the same problems you have with your website - and shows you how to fix them through practical tips. Among other things, you'll learn: How to spot (and fix) vague and self-centered copy How to sound trustworthy even without testimonials How to structure your homepage to make your message clear Why you should delete your Testimonials and FAQ pages Where to place call-to-action buttons to get more people to click What design mistakes get in the way of your message Who is this book for? This book is for you if you're: A business owner who takes care of their website themselves. You'll learn how to write better copy and how to make sure that your design doesn't kill your message. A copywriter who wants to sharpen their skill and also learn how to prevent designers from murdering their copy later on. You'll learn to spot bad design decisions and discover powerful arguments to use in conversations with your clients and their designers. A web designer who wants to design not only pretty websites but also websites that convert. A business owner who is planning to hire someone to create their website for them. You'll learn how to spot ineffective copy and sloppy design to make sure that the pretty website you're paying for will also convert.

Hugo in Action Atishay Jain,2022-05-17 Build and deploy a live website in just 30 minutes using Hugo. The Hugo engine lets you rapidly deliver static sites that are low maintenance, high performance, and feature rich. In Hugo in Action you will learn: Building web pages with Hugo and Jamstack Creating content using Markdown Content management with Hugo Designing new Hugo themes Using the Go template language Managing dependencies with Hugo modules Accessing APIs with Jamstack Adding a shopping cart using JavaScript Content tagging with markup Sometimes, simple is better. Static websites—sites with fixed content—are easier to create and maintain, and inherently more secure than dynamic pages. Hugo in Action is a hands-on guide to using the Hugo static site engine to render these websites in milliseconds. Working with a complete example website and source code samples, you'll learn how to build and host a site that will wow users and stay stable without a third-party server. Full coverage of the Jamstack (Javascript, APIs, Markdown) shows how easy it is to add complex features to super-simple sites, including eCommerce shopping carts, dynamic forms, and multilingual options. About the technology Because they load pre-built pages, static websites are simple, secure, and incredibly fast. With the Hugo static site generator you can build and render a website in seconds without the grind of hand coding the pages. Hugo takes a directory of content and templates and renders it as a full HTML and CSS website—perfect for blogs, documentation, and other sites that don't require real-time updates. About the book In Hugo in Action you'll learn step-by-step how to build efficient, low-maintenance static web sites. You'll use Hugo as a CMS and web development environment, create custom pages, and design your own Hugo themes. And you won't stop there! Moving beyond the basics, you'll incorporate the Jamstack model to add capabilities like eCommerce and your own APIs. The result: rich websites that are flexible and incredibly stable. What's inside Building web pages with Hugo and Jamstack Using the Go template language Managing dependencies with Hugo modules Content tagging with markup About the reader For web developers with a basic knowledge of JavaScript. **Building a StoryBrand** Donald Miller, 2017-10-10 More than half-a-million business leaders have discovered the power of the StoryBrand Framework, created by New York Times best-selling author and marketing expert Donald Miller. And they are making millions. If you use the wrong words to talk about your product, nobody will buy it. Marketers and business owners struggle to effectively connect with their customers, costing them and their companies millions in lost revenue. In a world filled with constant, on-demand distractions, it has become near-impossible for business owners to effectively cut through the noise to reach their customers, something Donald Miller knows first-hand. In this book, he shares the proven system he has created to help you engage and truly influence customers. The StoryBrand process is a proven solution to the struggle business leaders face when talking about their companies. Without a clear, distinct message, customers will not understand what you can do for them and are unwilling to engage, causing you to lose potential sales, opportunities for customer engagement, and much more. In *Building a StoryBrand*, Donald Miller teaches marketers and business owners to use the seven universal elements of powerful stories to dramatically improve how they connect with customers and grow their businesses. His proven process has helped thousands of companies engage with their existing customers, giving them the ultimate competitive advantage. *Building a StoryBrand* does this by teaching you: The seven universal story points all humans respond to; The real reason customers make purchases; How to simplify a brand message so people understand it; and How to create the most effective messaging for websites, brochures, and social media. Whether you are the marketing director of a multibillion-dollar company, the owner of a small business, a politician running for office, or the lead singer of a rock band, *Building a StoryBrand* will forever transform the way you talk about who you are, what you do, and the unique value you bring to your customers.
