Miss Manners' Guide to a Surprisingly Dignified Wedding Judith Martin,Jacobina Martin,2009-12-22 Bride and mother-of-the-bride rebel against today's monster weddings and explain how weddings can be charming, affordable—and excruciatingly correct. Today's brides are bombarded with wedding advice that promises perfection but urges achieving it through selfishness ("It's your wedding, and you can do whatever you like"), greed (choosing the presents that guests are directed to buy), and showing off ("This is your chance to show everyone what you're about"). Couples wishing to resist such pressure see elopement or a slapdash wedding as the only alternatives to a gaudy blowout. But none of these choices

appealed to a bride who happened to have been brought up by Miss Manners. Judith Martin and her newlywed daughter, Jacobina, explain how to have a dignified ceremony and delightful celebration without succumbing to the now-prevalent pattern of the vulgar, money-draining wedding that exhausts families and exploits friends.

Bridal Shower Memories Sandra Bark,2003 Traditionally, the shower brings together a woman's closest friends and her family-everyone from her second grade best friend to her mother-in-law-to-be. Now, for the first time, here is a bridal shower book that invites all of her loved ones to share memories and well-wishes, and encourages the bride to keep a personal diary during this exciting time. Not just another 'how to' book, this journal will entertain guests during the shower, record the where and when of the couple's meeting and betrothal, and be a treasured keepsake for the bride to enjoy up to her golden anniversary. With sections for friends and family to share funny memories and loving notes of encouragement, thisbook documents life before the engagement, and also provides a place to record hopes for the future. Both useful and sentimental, the journal also features a shower guest sign-in section, with room to note gifts and addresses to make writing thank-you notes easier. A section at the end is reserved for the bride to use as a personal journal during the weeks between the shower and the wedding. Elegant friendship illustrations and inspirational aphorisms about love and marriage make this book a cherished keepsake that brides willenjoy time and time again.
