**The Storied Ethics of the Thanksgiving Psalms** Joshua T. James, 2017-08-10 Drawing on research from the field of narrative ethics, *The Storied Ethics of the Thanksgiving Psalms* argues that story and storytelling function as important instruments in a given community's ethical shaping. While this argument has gained some traction in the field of Old Testament ethics, it has yet to inform an ethical reading of non-narrative texts, such as the Psalter. However, because the thanksgiving psalms are characterized by their inclusion of the worshipper's story, they stand to benefit from the application of a narrative ethical approach. In the present study, this argument is tested through a close reading of three thanksgivings – Psalms 116, 118, and 138 – each of which clearly demonstrates a didactic concern. Yahweh is presented as one who is worthy of trust, even in the midst of personal disaster. The affirmation of Yahweh's character provides the framework for the community's continued (or renewed) commitment and trust, hope and expectancy. The example provided by the worshipper challenges the audience to pray as they prayed, to trust as they trust, to live with hope as they live with hope. In addition, these psalms, and the stories they retell, invite the audience to tell their story when God answers their prayers, and to do so in public, in corporate worship, for the benefit of the community. These intended results – prayer, commitment, trust, hope, expectancy, public storytelling and thanksgiving – are not typically pursued in “ethical” studies, but they are clearly part of the Psalter's comprehensive vision of the ethical life and are, therefore, worthy of careful consideration.

Sunderland, Industrial Giant Marie Gardiner,2017-11-24 Sunderland was once one of Britain's industrial giants. Famous for its shipyards, mines and glass-making, it thrived at a time when its country needed it most. After the Second World War the town saw incredible change, as the heavy industry that seemed so permanent, faded and died. How do you cope with the loss of centuries of working tradition? These are the stories of the people who worked through this evolution, watched their town change around them and become a city - the people who saw the end of one era and the beginning of a challenging new one.

*The Divine Invitation* Terri Sullivant,2018-11-06 Are you ready to enter the dance of becoming fully alive? Have you ever wondered, if we have the God of heaven and earth living inside us, why aren't we experiencing more in life? Why aren't we seeing more transformation in ourselves, or in others for that matter? What does it look like to have "Jesus in me" anyway, as an individual and also as a woman? These are the questions life coach and pastor Terri Sullivant was asking herself when God answered her in a profound, life-changing way. *The Divine Invitation* provides a pathway to find what your heart deeply longs for in every area of life. It's a metaphor showing the way for every woman to enter the dance of becoming fully alive. Learning this dance is about developing a relationship with Jesus, like two people dancing skillfully and gracefully. It's about becoming so entwined with the thoughts, words, emotions, and behaviors of Jesus that the two of you are one. You find that this deep connection transcends all of life, enabling you to live joyfully and freely, come what may.
