*The Compensation Solution* John E. Tropman, 2002-02-28 Money isn't everything to today's employees. This book shows companies how to combine traditional compensation with the educational, emotional, and psychological benefits that will attract the best and brightest. It identifies the ten elements--including learning, advancement, emotional rewards, and quality of life--that job seekers rank highest among desired benefits. Then it shows employers how to combine them with monetary benefits to create effective, employee-driven compensation packages.

*Pay for Results* Karen Jorgensen,1996 Payroll may be the largest item in a company's balance sheets. PAY FOR RESULTS explores ways to use compensation as an incentive tool and management resource. It explains incentive bonuses, performance-based pay, and profit sharing. Real-life case studies reveal which plans work, which don't, and why.

The Complete Guide to Executive Compensation Bruce R. Ellic,2001-11-22 Strategies for gaining a powerful edge in the executive talent wars The competition for executive talent is fierce, making it imperative that executive compensation programs become an integral part of every company's strategic business plan. The Complete Guide to Executive Compensation provides in-depth coverage of current issues and trends in designing and administering executive compensation packages that are strategically, economically, and culturally sound. Renowned compensation and benefit expert Bruce Ellic begins by providing guidance for board members and company executives on defining a company's organization, culture, and business strategy, in order to establish a framework for executive compensation. He then discusses the often difficultbut essentialissues within that framework, including: Pay positioningrelative to the competitive environment Risk profilethe mix of salary, incentive compensation, and benefits Leverage the relationship between incentive plan payouts and performance Timingthe mix of short- versus long-term incentive programs Incentive plan designobjectives, performance measures, and participation

The WorldatWork Handbook of Total Rewards WorldatWork,2021-02-24 Equip yourself to manage, motivate, compensate, and reward everyone in this workplace revolution The future of work is here. From the shift to Millennials and Gen Z in the workforce to the advent of the Fourth Industrial Revolution and the Gig Economy, the world of work and rewards has significantly changed since the initial WorldatWork Handbook was published. Human resources and total rewards professionals need tools to equip them to manage a changing workforce. This completely revised second edition addresses the challenging and disruptive issues facing employers today and tomorrow. The WorldatWork Handbook of Total Rewards is the definitive authority on compensation and rewards from the leading global nonprofit organizations for professionals who are engaged in the critically important practice of total rewards. This book is a go-to resource for all business professionals and leaders who reward and create productive, committed and inspired workforces worldwide. Readers will learn the basics of rewards, along with a deep dive and high-level view of how rewards programs enable organizations to deliver on their brand promises and perform at their optimal level. Gain a thorough understanding of compensation and benefits, along with employee well-being, development, and recognition, all updated to address the realities of today's workplace. Understand why the Millennial and Gen Z workforce requires a different value proposition, and how to meet their needs. Discover the tools and techniques you need to help you reskill and become a highly valued workforce contributor and leader in the digital era. Learn how to attract, retain, and engage talent by building a healthy workplace culture and employing unique incentives that drive high performance and loyalty. Technical enough for specialists but broad in scope for managers and HR generalists, this well-rounded resource belongs on the desk of anyone interested in organizational effectiveness. An indispensable tool for understanding and implementing the total rewards concept, The WorldatWork Handbook of Total Rewards, Second Edition is the key to designing programs and practices that ensure employee engagement and organizational success.
