The Gospel According to Lost Chris Seay,2009-12-28 “Chris Seay is one of my favorite people. He’s a shepherd at heart. His insights on culture always take me into a better understanding of the world we live in. I’m grateful for him in so many ways.” —Don Miller, author of *Blue Like Jazz* An epic journey into the deepest mysteries of faith *Lost* is not just a television show. It has become much larger than that, growing into a complex, mystery-filled epic that has garnered over twenty-three million participants. Some might call these people viewers, but you don’t just watch *Lost*—you participate in it. It demands that you dialogue with the story, seeking theories, discussing with friends, and comparing yourself to the characters. *Lost* has broken all the formulas for television, and in doing so has drawn together millions of people on a shared journey that explores life, faith, history, science, philosophy, hope, and the basic questions of what it means to be human. It’s the seemingly infinite ideas, philosophies, and biblical metaphors that draw us in and leave us wanting more. *The Gospel According to Lost* explores each of these elements in an analysis of faith and metaphor—a perfect resource for those who want to go even deeper into the journey. Inside, you’ll discover what *Lost* has to say about The clash between faith and reason, on the island and in real life; The struggle with guilt that consumes each character—and sometimes us too; The dichotomy between fatalism and fate, and what the Bible advises; How being lost—on an island or in society—presents an opportunity for reinvention that liberates some and paralyzes others.

Too Busy to Die Carl Reiner,2017-03-20 When Carl made his first stage appearance at the age of six in *Six Who Pass While the Lentils Boil at P.S. 92* in the Bronx, his mother Bessie told him You were the best one. *Too Busy to Die* starts with that first reminiscence, then follows Carl's earliest forays into show business, in all of which Bessie continued to tell him that You were the best one. Carl tells of how his career might have ended with that first performance at P.S. 92, had it not been for Franklin D. Roosevelt and Carl's brother Charlie, who showed him the newspaper ad announcing that the WPA was sponsoring free acting classes for aspiring actors. Carl takes us behind the scenes when he performed in summer stock and a touring Shakespeare repertory company. His career involved working with eccentric, sometimes outlandish, always colorful people and situations, and all this, while supporting his growing family. As Carl honed his dramatic skills he discovered, oft times through desperation or necessity, that his comedic skills could save the day, by merging both at every opportunity to great success.

[Amusing Ourselves to Death](#) Neil Postman, 2005-12-27 What happens when media and politics become forms of entertainment? As our world begins to look more and more like Orwell's 1984, Neil's Postman's essential guide to the modern media is more relevant than ever. It's unlikely that Trump has ever read *Amusing Ourselves to Death*, but his ascent would not have surprised Postman." -CNN Originally published in 1985, Neil Postman's groundbreaking polemic about the corrosive effects of television on our politics and public discourse has been hailed as a twenty-first-century book published in the twentieth century. Now, with television joined by more sophisticated electronic media—from the Internet to cell phones to DVDs—it has taken on even greater significance. *Amusing Ourselves to Death* is a prophetic look at what happens when politics, journalism, education, and even religion become subject to the demands of entertainment. It is also a blueprint for regaining control of our media, so that they can serve our highest goals. "A brilliant, powerful, and important book. This is an indictment that Postman has laid down and, so far as I can see, an irrefutable one." -Jonathan Yardley, *The Washington Post Book World*
