Read Dangerously Azar Nafisi,2022-03-08 The New York Times bestselling author of *Reading Lolita in Tehran* returns with a guide to the power of literature in turbulent times, arming readers with a resistance reading list, ranging from James Baldwin to Zora Neale Hurston to Margaret Atwood. [A] stunning look at the power of reading. ... Provokes and inspires at every turn. —Publishers Weekly (starred review) Remarkable. ... Audacious. —The Progressive Stunningly beautiful and perceptive. —Los Angeles Review of Books What is the role of literature in an era when one political party wages continual

war on writers and the press? What is the connection between political strife in our daily lives, and the way we meet our enemies on the page in fiction? How can literature, through its free exchange, affect politics? In this galvanizing guide to literature as resistance, Nafisi seeks to answer these questions. Drawing on her experiences as a woman and voracious reader living in the Islamic Republic of Iran, her life as an immigrant in the United States, and her role as literature professor in both countries, she crafts an argument for why, in a genuine democracy, we must engage with the enemy, and how literature can be a vehicle for doing so. Structured as a series of letters to her father, who taught her as a child about how literature can rescue us in times of trauma, Nafisi explores the most probing questions of our time through the works of Toni Morrison, Salman Rushdie, James Baldwin, Margaret Atwood, and more.

Near & Far Heidi Swanson, 2015-09-15 Known for combining natural foods recipes with evocative, artful photography, New York Times bestselling author Heidi Swanson circled the globe to create this mouthwatering assortment of 120 vegetarian dishes. In this deeply personal collection drawn from her well-worn recipe journals, Heidi describes the fragrance of flatbreads hot off a Marrakech griddle, soba noodles and feather-light tempura in Tokyo, and the taste of wild-picked greens from the Puglian coast. Recipes such as Fennel Stew, Carrot & Sake Salad, Watermelon Radish Soup, Brown Butter Tortelli, and Saffron Tagine use healthy, whole foods ingredients and approachable techniques, and photographs taken in Morocco, Japan, Italy, France, and India, as well as back home in Heidi's kitchen, reveal the places both near and far that inspire her warm, nourishing cooking.

Romancing the Beat Gwen Hayes, 2016 What makes a romance novel a romance? How do you write a kissing book? Writing a well-structured romance isn't the same as writing any other genre-something the popular novel and screenwriting guides don't address. The romance arc is made up of its own story beats, and the external plot and theme need to be braided to the romance arc-not the other way around. Told in conversational (and often irreverent) prose, *Romancing the Beat* can be read like you are sitting down to coffee with romance editor and author Gwen Hayes while she explains story structure. The way she does with her clients. Some of whom are regular inhabitants of the New York Times and USA Today bestseller lists. *Romancing the Beat* is a recipe, not a rigid system. The beats don't care if you plot or outline before you write, or if you pants your way through the drafts and do a beat check when you're revising. Pantsers and plotters are both welcome. So sit down, grab a cuppa, and let's talk about kissing books.
