Vault Guide to Resumes, Cover Letters & Interviews Howard Leifman, Marcy Lerner, Vault (Firm), 2003 From writing top-notch resumes and sending tailored cover letters to going on winning interviews, this best-selling Vault guide is a comprehensive one-volume job search source.

How to Write a Cover Letter Theodore Kingsley, 2023-06-26

Get It Done: Write a Cover Letter Jeremy Schifeling, 2018-09-25 Want to write the perfect cover letter? But don't have time to read through a 300-page book first? Then *Get It Done* is for you. Here's why it's been a Kindle best-seller for six years in a row: 1) It's fast - The whole book takes about 30 minutes to read. 2) It's to the point - It breaks the cover letter down to 12 parts and gives you a precise template to complete for every single step. 3) It works - I developed this system while serving as a Recruiter for Teach For America. I've since taught it to MBAs as a Career Coach at the University of Michigan, leading to job offers from Apple, GE, Microsoft, Amazon, LinkedIn, and Google. And the system has even been featured in U.S. News & World Report: <http://money.usnews.com/money/careers/articles/2015/01/21/5-cover-letter-cliches-that-make-employers-cringe> So get your cover letter done today. And then get ready to land an awesome job next! What job seekers are saying... If you're anything like me, you detest writing cover letters. This is a short, concise book that will quickly spell out the steps you need to take to write a solid, well-thought out cover letter. -Rebecca This book was a a major benefit to my post-grad job search. I was struggling to portray some past experience to potential recruiters. I was hardly getting noticed and unable to land interviews; I was just another piece of paper in the deck. Jeremy's beneficial insight to the cover letter was against my traditional understanding. His direct nature and step by step guidance proved to be beneficial in my search. I was able to go through the book and develop a brand new cover letter from scratch in less than an hour. Given the price of the book and the time it takes to go through, there is absolutely no excuse why you shouldn't buy it right now and start fresh in conveying your background to your next employer. -LJ If you, like me, hate writing cover letters, then this book is for you. Before reading this book, I was not even using cover letters because I thought they didn't matter, and I didn't know what to say. I just sent as many resumes as possible to as many job postings as possible. This book changed my life. It convinced me, no doubt one of the most shameless no-cover-letter resume spammers out there, to stop and write a cover letter. Plus Schifeling lays out a series of clear quick steps that make it easy and anxiety free. -Jane E Nevins What you'll get... -A sample

cover letter using the exact same approach that the author and hundreds of others have used to land jobs from Amazon to Zynga -A cover letter template that's broken down into step-by-step chunks, making it easy to apply to your own application - The definitive cover letter format that recruiters and hiring managers prefer, based on actual recruiting and hiring experience

How To Write A Cover Letter: Cover Letter Examples Brian Smith, The book How To Write A Cover Letter: Cover Letter Examples provides a comprehensive guide on crafting effective cover letters. It covers various aspects of writing a cover letter, from understanding the job description and tailoring it to the specific requirements to showcasing skills, addressing employment gaps, and concluding the letter professionally. The book also discusses cover letter formatting, proofreading, and editing, along with providing examples and templates for different scenarios. It emphasizes the importance of follow-up after submitting a cover letter and provides guidance on submitting via email, online portals, or physical mail. Overall, this book aims to assist readers in creating compelling cover letters that grab the attention of employers and increase the chances of securing an interview.

The Complete Guide to Writing Effective Résumé Cover Letters Kimberly Sarmiento, 2009 The companion CD is packed with samples and worksheets to help you brainstorm and create a successful cover letter.

The Perfect Cover Letter Richard H. Beatty, 1997 A well-designed cover letter can prove to be a more powerful selling tool than a CV, showcasing your thinking abilities, writing skills and personality traits in ways that an employer cannot detect from the more rigid CV

No-nonsense Cover Letters Wendy S. Enelow, Arnold G. Boldt, 2007-01-01 In today's competitive job market, if your cover letter doesn't grab the interviewer's attention, he or she may never even glance at your resume. No-Nonsense Cover

Letters gives you the powerful practical tools to write attention grabbing cover letters that complement your resume and get you more interviews and job offers. The book begins with a thorough but easy-to-understand explanation of the key elements that are vital to creating attention grabbing letters including: why writing a cover letter is about selling yourself; how to craft targeted cover letters; when to use bullets or paragraphs; and creating E-letters for today's E-search environment.

Subsequent chapters offer tips on writing winning cover letters for opportunities for virtually every profession.

Cover Letters that Blow Doors Open Anne McKinney,1999 Designed as the comprehensive guide to cover letter preparation, the 272-page book shows examples of exciting and door-opening cover letters. The main section of the book shows cover letters by field and industry. For example, job hunters in the accounting field will find examples of cover letters used to blow doors open in the accounting, banking, and financial community. From aviation, to computer operations, to management, to sales, to transportation, cover letters tailored to specific fields are illustrated which can be used as models or templates for those involved in a job hunt. But what if a job hunter is changing careers or doesn't need a cover letter targeting a specific field or functional area? There's a section showing examples of all-purpose cover letters, career-change cover letters, cover letters for entrepreneurs, and cover letters for those seeking their first job. For those seeking advice on how to respond to ads, how to handle questions about salary requirements, how to request consideration for multiple job openings in the organization, and how to write letters for special situations, there's a section entitled Sixteen Commonly Asked Questions About Cover Letters (and Job Hunting).

Cover Letters In A Week Pat Scudamore,Hilton Catt,2013-03-29 Sunday: Understand the importance of first impressions and the common mistakes people make Monday: Ensure your application is taken seriously with a cover letter that is concise, complements your CV and is targeted to the job you have applied for Tuesday: Discover how to style and structure your cover letter with advice on forms of address, etiquette, fonts, margins and the importance of 'white space' Wednesday: Design your cover letter to engage your audience and overcome the competition for advertised jobs Thursday: Design a speculative cover letter to approach the invisible job market Friday: Learn how to address cover letters to agencies and recruitment consultants Saturday: Learn from your applications, whether successful or not, and develop your writing style for the future

Is there a better resource for your needs than Martin Yate, CPC, and Knock 'em Dead?

How To Write Amazing Cover Letters The Hyperink Team, 2012-02-12 ABOUT THE BOOK If a resume is a window into your past work experience, a cover letter is the tool you use to install it. Cover letters were once just an after thought, something most people used to simply regurgitate their resumes. In fact, it wasn't until the last decade that cover letters gained wide acceptance and importance. Today, not only is the cover letter just as important as a resume, it can be the deciding factor in whether a hiring manager looks at your resume or throws it in the trash. But how do you write the kind of amazing cover letter that will get you in the door? How can you create a narrative of your professional experience that makes the HR person sit up and take notice? The key is knowing how to present yourself. It does not matter if you've spent 30 years in the work force or are just entering it: the fact remains that you need to learn how to convince someone else to interview you. MEET THE AUTHOR The Hyperink Team works hard to bring you high-quality, engaging, fun content. If ever you have any questions about our products, or suggestions for how we can make them better, please don't hesitate to contact us! Happy reading! EXCERPT FROM THE BOOK You've probably figured out a few mistakes to avoid already, but you'd probably be surprised at what many employers are turned off by when reading cover letters: Lack of proofreading. This is a no-brainer, but many people often miss them, or don't bother to spell check before sending out the cover letter and resume. It's always a good idea to ask a friend or family member to check your letter for spelling errors and typos to give you a fresh perspective. Not including the name of the hiring manager. If you don't know who is going to read your cover letter and resume, try to find out. When in doubt, call the company and ask who the person in charge of that department is so you can target your letter appropriately. Not writing to an audience. Focus each letter on each employer. According to Career Builder, 44 percent of executives polled said it's common for applicants to use their cover letters to show they've learned more about the job. Doing so can give you an edge against the competition. Failing to sell yourself. If you undersell your skills and qualifications, you won't make an impression on the reader. Don't just talk about your accomplishments, give concrete examples.

Regurgitating the resume. Cover letters weren't meant as a tool to repeat everything that's in your resume. It's a tool to build on it, and an opportunity to correlate your experience with the job you're applying for. Include any training classes, awards, and recognition you've received in the past that might give you an edge over the competition. Buy a copy to keep reading!

201 Killer Cover Letters (CD-ROM edition) Sandra Podesta, Andrea Paxton, 2003-03-22 201 Killer Cover Letters provides job seekers with an unbeatable competitive edge by arming them with surefire sample letters for every job-hunting situation. This edition of the bestselling guide includes the latest job-search techniques, tips for transferring job skills across industries, and ways to use the cover letter to anticipate and overcome objectionable items or gaps in employment. Building on the success of the computer disk edition, the CD-ROM edition contains ready-to-download templates of all 201 letters, for CD-ROM-compatible computers, making it easier than ever for readers to tailor cover letters to specific situations.

Resumes and Cover Letters for Managers Anne McKinney, 1999 Destined to become the bible for managers who want to make sure their resumes and cover letters open the maximum number of doors while helping them maximize in the salary negotiation process. From office manager to CEO, managers trying to relocate to or from these and other industries and fields will find helpful examples: Banking, Agriculture, School Systems, Human Resources, Restaurants, manufacturing, Hospitality Industry, Automotive, Retail, Telecommunications, Police Force, Dentistry, Social Work, Academic Affairs, Non-Profit Organizations, Childcare, Sales, Sports, Municipalities, Rest Homes, Medicine and Healthcare, Business Operations, Landscaping, Customer Service, MIS, Quality Control, Teaching, the Arts, and Self-Employed.
