The Change Your Name Store Leanne Shirliffe,2014-05-20 Who am I? It's a question a lot of children seem to ask themselves, at which point being "them" simply isn't enough. They want to be someone better. Many kids want to change their names. This is what happened to Wilma Lee Wu. One day, Wilma decides she no longer likes her name, and she sets off for the Change Your Name Store to find a new one. Once at the store, the possibilities seem endless. Mrs. Zeena McFooz, the store-owner, says that Wilma can try out any new name she wants with one catch: she must "go for a ride" to discover what it means to be that name. Will being Babette Bijou from France be better than Wilma Lee Wu? What about Dominga Delfino from Belize? Featuring an exciting story of discovery from author and humor blogger Leanne Shirliffe (of IronicMom.com), and fun, simple illustrations by Tina Kügler, The Change Your Name Store takes children on a journey to find their true identity and to celebrate who they are—name and all. Children ages 3 to 6 will be able to relate to Wilma's search for who she really is. The book promotes diversity, which is an important topic to kids to understand at an early age, and will be a good addition to preschool classrooms and urban homes in particular. Zeena McFooz is gentle and matter-of-fact, and the tone of the book is one of exploration and celebration of our individuality. The illustrations are sure to captivate kids' attention while helping to bring this important message to life. Sky Pony Press, with our Good Books, Racehorse and Arcade imprints, is proud to publish a broad range of books for young readers—picture books for small children, chapter books, books for middle grade readers, and novels for young adults. Our list includes bestsellers for children who love to play

Minecraft; stories told with LEGO bricks; books that teach lessons about tolerance, patience, and the environment, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

**Flying Colours** Robert G Fresson,2020-05-16 By exploring the patterns, colours and crests of flags, we can learn all about the histories and aspirations of the countries they represent. Did you know that the flag of Nepal is the only one with more than four sides? Or that the flag of Mozambique features a book, a hoe and an AK47? Find out the difference between the flag of Chad and the flag of Romania (spoiler: there is none), and why the Union Jack is asymmetrical. Robert G Fresson's meticulous, vintage-inflected illustrations provide a refreshingly elegant insight into the fascinating world of vexillology.

*Unbroken (Movie Tie-in Edition)* Laura Hillenbrand,2018-08-21 #1 NEW YORK TIMES BESTSELLER • The incredible true story of survival and salvation that is the basis for two major motion pictures: 2014's *Unbroken* and the upcoming *Unbroken: Path to Redemption*. On a May afternoon in 1943, an Army Air Forces bomber crashed into the Pacific Ocean and disappeared, leaving only a spray of debris and a slick of oil, gasoline, and blood. Then, on the ocean surface, a face appeared. It was that of a young lieutenant, the plane's bombardier, who was struggling to a life raft and pulling himself aboard. So began one of the most extraordinary odysseys of the Second World War. The lieutenant's name was Louis Zamperini. In boyhood, he'd been a cunning and incorrigible delinquent, breaking into houses, brawling, and fleeing his home to ride the rails. As a teenager, he had channeled his defiance into running, discovering a prodigious talent that had carried him to the Berlin Olympics and within sight of the four-minute mile. But when war had come, the athlete had become an airman, embarking on a journey that led to his doomed flight, a tiny raft, and a drift into the unknown. Ahead of Zamperini lay thousands of miles of open ocean, leaping sharks, a foundering raft, thirst and starvation, enemy aircraft, and, beyond, a

trial even greater. Driven to the limits of endurance, Zamperini would answer desperation with ingenuity; suffering with hope, resolve, and humor; brutality with rebellion. His fate, whether triumph or tragedy, would be suspended on the fraying wire of his will. In her long-awaited new book, Laura Hillenbrand writes with the same rich and vivid narrative voice she displayed in *Seabiscuit*. Telling an unforgettable story of a man's journey into extremity, *Unbroken* is a testament to the resilience of the human mind, body, and spirit. Praise for *Unbroken* "Extraordinarily moving . . . a powerfully drawn survival epic."—The Wall Street Journal "[A] one-in-a-billion story . . . designed to wrench from self-respecting critics all the blurry adjectives we normally try to avoid: It is amazing, unforgettable, gripping, harrowing, chilling, and inspiring."—New York "Staggering . . . mesmerizing . . . Hillenbrand's writing is so ferociously cinematic, the events she describes so incredible, you don't dare take your eyes off the page."—People "A meticulous, soaring and beautifully written account of an extraordinary life."—The Washington Post "Ambitious and powerful . . . a startling narrative and an inspirational book."—The New York Times Book Review "Marvelous . . . *Unbroken* is wonderful twice over, for the tale it tells and for the way it's told. . . . It manages maximum velocity with no loss of subtlety."—Newsweek "Moving and, yes, inspirational . . . [Laura] Hillenbrand's unforgettable book . . . deserve[s] pride of place alongside the best works of literature that chart the complications and the hard-won triumphs of so-called ordinary Americans and their extraordinary time."—Maureen Corrigan, *Fresh Air* "Hillenbrand . . . tells [this] story with cool elegance but at a thrilling sprinter's pace."—Time "Unbroken is too much book to hope for: a hellride of a story in the grip of the one writer who can handle it."—Christopher McDougall, author of *Born to Run*

*The Great Indoors* Ben Highmore,2014-01-02 'House' has long been synonymous with 'home': the significance of four walls and a roof lies far deeper than simply shelter from the elements. A house stands for sanctuary, family, belonging, privacy and our pasts: even when standardised as a 'Barratt Home' or modern housing estate, every house bears the stamp of the people who live in it, remaining a bastion of quirky individualism. The Great Indoors is the first cultural history of the family home in the twentieth century, comparable to Rachel Hewitt's Map of a Nation or Joe Moran's Queuing for Beginners. As society has changed, so has the house: the hall - which had its finest hour during the middle ages, when families and their servants ate, slept and socialised there together - has now been relegated to a mere passageway, only useful for getting to

other (more private) rooms. Highmore shows how houses display the currents of class, identity and social transformation that are displayed in the arrangement and use of the family home. And he also offers an engaging and stimulating peek through the curtains to explain why the fridge is used as a communication centre, how the loo (or toilet) inspired its very own literary genre and what your furniture arrangement reveals about how you function as a family.
